However, responses from the Board members to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Board of Health will consider, Board members may choose not to respond to public comments, except to correct factual inaccuracies, ask for Northern Nevada Public Health staff action

or to ask that a matter be listed on a future agenda. The Board of Health may do this either during the public comment item or during the following item: “Board Comments – District Board of Health Member’s announcements, reports and updates, request for information or topics for future agendas.
