Items with a specific time designation will not be heard prior to the stated time, but may be heard later. The Consent is a single agenda item and is considered as a block and will not be read aloud. The Board of County Commissioners may take breaks approximately every 90 minutes.

Accessibility. The Washoe County Commission Chambers are accessible to the disabled. If you require special arrangements for the meeting, call the Office of the County Manager, (775) 328-2000, 24-hours prior to the meeting.

Time Limits. Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to three minutes per person. Additionally, public comment of three minutes per person will be heard during individually numbered items designated as "for possible action" on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Commission meeting. Persons may not allocate unused time to other speakers.

Forum Restrictions and Orderly Conduct of Business. The Board of County Commissioners conducts the business of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

Responses to Public Comments. The County Commission can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Commission. However, responses from Commissioners to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Commission will consider, Commissioners may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action or to ask that a matter be listed on a future agenda. The Commission may do this either during the public comment item or during the following item "Commissioners'/County Manager's announcements, reports and updates, requested for information or topics for future agendas."

(Note: Items listed under this heading only will be heard at or after the noted time. In no case will it be heard before the stated time. Due to public comment and discussion, time expended on the items in this category can vary.)

16. Introduction and first reading of ordinances amending Washoe County Code Chapter 110 (Development Code) within Article 302, Allowed Uses, to identify the types of review required for short-term rentals in each regulatory zone and to add an administrative review permit to the list of review types; within Article 304, Use Classification System, to update the residential use type description, add a definition for short-term rental, and update the definition for lodging services; within Article 410, Parking and Loading, to update the off-street parking space requirements table to include a reference to short-term rentals; and within Article 910, Enforcement, to specify that appeals of Administrative Hearing Office decisions related to short-term rentals would be heard by the Board of County Commissioners. Chapter 110 would also be amended to create Article 319, Short-Term Rentals (STRs), to establish standards, location limitations, defining unpermitted short-term rentals as nuisances, occupancy limits, parking requirements, safety/security considerations, signage, noise thresholds, trash/garbage collection rules, insurance requirements, Tahoe area considerations, permitting requirements, enforcement process, fees, fines, and penalties associated with short-term rentals; and to amend Article 306, Accessory Uses and Structures, by removing the procedural details for Administrative Review Permits, with those details being re-located into a new article that is updated to reflect minor changes related to short-term rentals. That article would be created as Article 809, Administrative Review Permits. The ordinances would also amend Chapter 50 (Public Peace, Safety and Morals) to include a definition of short-term rental and define unpermitted short-term rentals as a public nuisance; and amend Chapter 125 (Administrative Enforcement Code) to establish enforcement provisions related to short-term rentals, including but not limited to definitions, inspections, evidence of operation, evidence of violations, appeals and associated timeframes, stop activity orders, warnings, penalties, and penalty notices. Short-term rentals are a type of temporary lodging booked for fewer than 28-days and operated out of private residences such as homes, apartments and condos. They are commonly made available through property management companies and online booking services, and are also referred to as vacation rentals. The amendments also resolve discrepancies arising within existing Washoe County Code chapters as a result of the new code language, and other matters necessarily connected therewith and pertaining thereto.

And, if introduced, set the public hearing and second reading of the ordinances for March 10, 2020. Community Services. (All Commission Districts.) FOR POSSIBLE ACTION
