BACKGROUND

Modification of guidelines and adoption of resolution for County Commission District Special Funding on February 10, 2015 created Commission District Special Funds for each Commission District. On May 18, 2021 the Board of County Commissioners approved the 2021-2022 fiscal year budget with special district funds allocated per Commission District in the amount of \$100,000. The monies appropriated are to support needs for all Washoe County residents.

Funds appropriated through the Commission District Special Funds must provide substantial benefit to the inhabitants of the County. The recipient must be a non-profit organization, created for religious, charitable or educational purposes, or a government entity. Funds shall not provide any personal or private benefit for the Commissioners, directly or indirectly benefit any campaign efforts by a commissioner, violate Ethics in Government law, or be used to purchase tickets to special events.

Commissioner Hill has elected to support the following organization in fiscal year 2021-2022:

- [\$1,000] grant to the Office of the Washoe County Recorder to offset recording fees for a Declaration of Removal of Discriminatory Restriction for 23 homeowners with the purpose of disavowing racist language contained in property records. The Washoe County Recorder’s Office is committed to protecting the integrity of Washoe County’s historical records, while at the same time allowing for the repudiation of bigotry from the county’s past.
