District 2

Question applies to multiple boards

Are you registered to vote in Washoe County?

Yes No

Interests & Experiences

Which Boards would you like to apply for?

Washoe County Advisory Board to Manage Wildlife: Submitted

Question applies to Washoe County Advisory Board to Manage Wildlife

Which board position are you applying for? *

Hunter/Trapper/Angler OR Engaged in Ranching/Farming in Washoe County.

Please tell us about yourself and why you want to serve.

Why are you interested in serving on this board/commission?

Since an extremely young age, I have been raised in the outdoors. As soon as I could walk on my own, my dad bought me my first fishing rod and we would go to the Truckee River in Verdi as much as possible. My passion for fishing led me to working at the Reno Fly Shop for almost twelve years and allowed me the opportunity to explore many of the fisheries in the Western U.S./Canada and Mexico. Along with fishing, I was introduced to waterfowl hunting at a very early age at the Canvasback Gun Club near Stillwater Marsh. Going out in the duck blind with my Dad and his friends to watch until I was old enough to hold a shotgun myself. Waterfowl hunting became an addiction and much like fly fishing, I have chased waterfowl throughout most of the U.S. Along with the passion to pursue waterfowl, growing up around the Canvasback Gun Club led me to an opportunity to work as a ranch hand for the gun club for a few summers in college. It was during this time that I truly learned the importance of habitat conservation and care to ensure a better future for generations to come. In addition to waterfowl hunting and fishing I gained a passion for big game hunting, after being introduced to it by a close family friend. This led to many adventures pursuing Antelope, Mule Deer, and Elk. My love for the outdoors led me to relocate to Bozeman, MT while pursuing my undergraduate degree, taking every opportunity I could to spend time on the water or in the mountains. To summarize why I am interested in serving on this board is simple, I want to ensure a sustainable future for wildlife and the outdoors. I have a young son and I want him to be able to enjoy the same outdoor opportunities that I was fortunate enough to experience in this beautiful state.

How do you feel you are qualified to serve on this board? Please include any past board/commission experience.

As I stated in the section above, I have spent most of my life pursuing fishing/hunting/hiking activities in this remarkable state. While I do not have a Biology degree that qualifies me for this board, my time spent in the field or the mountains has taught me the absolute importance of caring for our wildlife and conserving habitat and rangeland for current and future sportsman and outdoor enthusiasts alike.
