BACKGROUND

Washoe County Human Services Agency has been supporting behavioral health services for clients with substance use issues since 2002-03 by providing services to parents with children who have been placed in the child welfare system by the Agency due to child abuse and/or neglect related to substance abuse.

This grant funding supports a Peer Recovery Support Specialists (PRSS) through implementation of the Sobriety Treatment and Recovery Teams (START) model program, assist and empower peer clients struggling with SUD by identifying main concerns, developing collaborative care plans that include measurable goals and objectives, and providing peer support to clients. The PRSS is a mentor, companion, resource broker, community tour guide, educator, advocate and friend to clients. The

PRSS guides clients toward long-term behavioral change through intensive mentorship and support through the stages of change with sobriety.

The Agency will collect and report data by contracted PRSS to include, but not limited to, line-item detail including the number of clients case managed, recipient demographics, number of meetings with families, resource referrals, linkage to community-based recovery supports, and individualized recovery plan.

This grant is funded by medical marijuana tax revenue to support clients involved with Child Protection Services who have substance use issues.

The Notice of Subaward for this grant was received by the Human Services Agency on July 6, 2023; therefore, retroactive approval is requested.
