WASHOE COUNTY

This License is issued this ____ day of _____, 2018 by and between the STATE OF NEVADA, acting through the NEVADA DIVISION OF STATE LANDS and the STATE LAND REGISTRAR, hereinafter referred to as LICENSOR, and WASHOE COUNTY, hereinafter referred to as LICENSEE:

WHEREAS, LICENSOR owns Washoe County Assessor's parcels described in Exhibit A; and

WHEREAS, LICENSEE, has made application to and wishes to obtain from the LICENSOR a License for snow storage; and

WHEREAS, NRS 322.100 gives the State Land Registrar the authority to issue a permit, license, or other authorization for any lawful use of state land administered by the Division of State Lands;

NOW, THEREFORE, for and in consideration of the mutual covenants contained herein and other good and valuable consideration, LICENSOR does hereby grant to LICENSEE a revocable License for snow storage on the following described property situate in Sections

8,9,10,19, T16N R18E as shown on **EXHIBIT A** attached hereto and by reference made a part hereof.

IN FURTHER CONSIDERATION for the granting of this License, LICENSEE, and/or its agent(s) and contractor(s), understands and agrees to the following specific conditions:

1. **PURPOSE:** The property described herein may be used by LICENSEE solely for snow storage. The snow storage operation shall be executed in accordance with the application submitted 10/16/2017 incorporated herein and by reference made a part hereof. LICENSEE's right to use the parcel shall be for snow storage only; all other uses shall be considered inappropriate and a breach of any of the covenants, terms and conditions of this License.

2. **JURISDICTION OF STATE:** The License for snow storage extends only to the areas described in **EXHIBIT A** and shall not be construed to authorize access across private lands. If LICENSEE needs to utilize other portions of the property not granted to it through this License, a permit, license, easement, or other authorization to do so is required.

3. **TERM AND DISCONTINUATION:** This License shall have an initial term of FIVE (5) years once this License is fully executed by both the LICENSOR and the LICENSEE and may be terminated at any time at the will of the LICENSOR or LICENSEE. The LICENSEE may use the parcels identified in **EXHIBIT A** for snow storage during the period of December 1st through May 1st during each year of this license. As requested, LICENSEE shall meet with LICENSOR to complete a site condition inspection of the parcels approved for snow storage. Upon termination of the LICENSE, the LICENSEE will return the land to as near as its original condition as possible at LICENSEE'S sole expense.

4. **CONSIDERATION:** For and in consideration of the snow storage operation, LICENSEE hereby agree to pay an annual use fee in the amount of TWO HUNDRED FIFTY

DOLLARS AND NO/100 DOLLARS (\$250.00) per year per parcel to the LICENSOR [NRS 322.100(1)(b)]. Said fees are to be paid in advance commencing on the execution date of this License and on or before December 1st every year thereafter for the entire duration of said License. This is payable to the STATE OF NEVADA, DIVISION OF STATE LANDS, and is to be mailed to:

**DIVISION OF STATE LANDS
901 S. STEWART ST., SUITE 5003
CARSON CITY, NV 89701**

5. The annual use fee shall be paid in advance to LICENSOR and shall be due on or before the due date provided herein. Any payment made after this due date shall be subject to a late payment fee in the amount of TWENTY-FIVE DOLLARS AND NO/100 DOLLARS (\$25.00). If fees, including late fees, become more than SIXTY (60) days in arrears, the License may be terminated by the LICENSOR.

6. **PERMITS:** This License is subject to the acquisition of all local, regional, state and federal permits and approvals as required by law. LICENSEE agrees to obtain and adhere to the conditions of the necessary permits.

7. **INDEMNIFICATION:** LICENSEE and/or agent(s) or contractor(s) as Indemnitors agrees to indemnify, defend and hold harmless the State of Nevada and its agents from and against any and all liability for personal injuries, claims, actions, damages, expenses, or for loss of life or property resulting from, or in any way connected with the conditions or use of the premises covered herein, including any hazard, deficiency, defect, or other matter, known or unknown, or connected with the snow storage operation. This indemnification does not exclude the State of Nevada's right to participate in its defense of a matter subject to this indemnification.

8. **INSURANCE; CONTRACTORS AND SUB-CONTRACTORS:** This provision is applicable to all Non-Governmental Entities engaged to work on the premises granted by this License and does not apply to any LICENSEE considered a Public Entity. LICENSEE agrees to carry and to require their contractors and sub-contractors to carry their own General Liability Insurance Policy issued by an insurance company authorized to do business in the State of Nevada and which is currently rated by A. M. Best as A-VII or better. The insurance policy is to be kept in full force and effect during the term of this License. Such insurance policy shall be at the minimum, in the amount of \$1,000,000 per occurrence for bodily injury and property damage and shall via an endorsement, name the *State of Nevada, its officers, employees and agents as additional insureds* for all liability arising from the use of state land. Each liability insurance policy shall also provide for a waiver of subrogation as to all additional insured's. LICENSEE agrees to provide and to require their contractors and sub-contractors to provide to the State of Nevada the Accord 25 Certificate of Insurance as proof of the insurance and an Additional Insured Endorsement, signed by an authorized insurance company representative, to evidence the endorsement of the State as additional insured. **The Certificate of Insurance and Additional Insured Endorsement shall be provided by each contractor and sub-contractor prior to their entry upon state property and be sent to:**

DAMAGE TO STATE LAND: LICENSEE and/or its agent(s) or contractor(s) understands and agrees to pay for and be responsible for all direct or indirect damages to the real property, improvements, and material damage to vegetation of LICENSOR caused by LICENSEE during snow storage operations, and further agrees to return the land to its pre-project condition at the end of each snow storage season. LICENSEE agrees to either repair
