Secure Rural Schools and Community Self-Determination Act

Updated: March 9, 2017

Payments to States for 2017 under the Act of May 23, 1908

Without Congressional reauthorization of the Secure Rural Schools and Community Self Determination Act (SRS Act), the Forest Service must revert to making payments to States under the 1908 Act, commonly called the 25% payments, for the 2017 payment year. USDA Forest Service processed a payment to each State on or about March 7, 2017.

The Act of May 23, 1908 (35 Stat. 260; 16 U.S.C. 500), and section 13 of the Act of March 1, 1911 (36 Stat. 963; 16 U.S.C. 500) was amended by P.L.110-343 such that the 25% payment is "an amount equal to the annual average of 25 percent of all amounts received for the applicable fiscal year and each of the preceding 6 fiscal years."

Each State and County is accountable for the proper use of funds under the Single Audit Act.

The 25% 7-year rolling average payment must be used for roads and schools. The 1908 Act **Estimated Payments** can be found on the "Payments and Receipts" page of this website.
