WHEREAS, subsection 3 of NRS § 540A.250 provides that:

“The District created pursuant to this section must include, without limitation:

(a) The area where the condition which requires remediation is determined by the Board to be present, or for which remediation is determined by the Board to be necessary, including any area to which the condition is expected to migrate unless remediation is carried out; and

the remediation of the quality of water pursuant to NRS § 540A.250 through § 540A.285 (the “Act”) whose boundaries in accordance with NRS § 540A.250 include the wholesale and retail water service area of Sierra Pacific Power Company (herein “Sierra Pacific”) and its successors in the water business, the Truckee Meadows Water Authority (“TMWA”), which was in the case of Sierra Pacific and is in the case of TMWA, and further includes a portion of the wholesale and retail water service area of Washoe County’s Community Service Department (“CSD”), and its successors in the water business, TMWA, which was in the case of CSD and is in the case of TMWA, providers of water service that have used and use for at least a portion of their water supply, wells located in the area where the condition of PCE exists in the groundwater and where remediation is required as hereby determined by the Board, based upon the Plan for Remediation; and

WHEREAS, the Board has heretofore determined and does hereby declare that a portion of the cost of developing and carrying out the plan for remediation has been deferred with the proceeds of bonds (the “Bonds”) which have been heretofore retired; and

WHEREAS, the Board has heretofore determined that the operation and maintenance in connection with carrying out the Plan for Remediation is to be paid by a fee imposed on the properties in the District; and

WHEREAS, in the Creation Ordinance, the Board determined that the condition which requires remediation affects the quality of drinking water within the region and therefor, pursuant to subsection 1(a) of NRS § 540A.265, the fee apportioned must be based on a percentage of the total amount billed in the preceding calendar year to each parcel of property within the District for water by the provider of retail water service to the parcel of property; and

WHEREAS, the Board has determined and hereby determines that the Bonds have been retired, and therefore no amount will be included in the fee to pay principal and interest on the Bonds; and

WHEREAS, the Board has also determined that the costs of developing and carrying out the plan for remediation is to be paid from the fees collected through 2017; and

WHEREAS, the Board has determined and hereby determines that the estimated amount required to pay TMWA for one year's operation and maintenance (“O&M”) costs as

provided in the County's agreement with Sierra Pacific, to which TMWA has succeeded, is \$300,000; and

WHEREAS, the Board has determined and hereby determines that the annual amount necessary to pay the one year's cost of additional expenses and monitoring, administration, collection and other continuing costs in furtherance of and in connection with developing and carrying out the Plan for Remediation (collectively, "Ongoing Costs") is \$3,349,394.87; and

WHEREAS, it is therefore necessary to raise \$1,250,000 in fiscal year 2018-2019 (the Fiscal Years' Amount) to pay one year's O&M and Ongoing Costs; and

WHEREAS, the Board has determined at this time that considering the nature of the capital projects previously funded with the Bonds and the nature of the Ongoing Costs being collected at this time, it is appropriate to weight or adjust the amount billed pursuant to paragraph (b) of subsection 1 of NRS § 540A.265, and consequently that the methods of weighting or adjusting outlined in paragraphs (b) and (c) of such subsection are being applied to the fee being apportioned by this ordinance, and the Board hereby finds and declares that such apportionment is just and equitable; and

WHEREAS, there has been submitted to staff of the County a list of all parcels of land in the District (excluding all property owned by the federal government), together with the amount billed for water to those parcels in calendar year ending December 31, 2017, in which, in the cases of properties within the District where retail water service was not provided for a full calendar year, or where a full calendar year's billing was not available, the estimated amount billed for water for a full calendar year was provided or developed, taking into account a partial year's billing extended to 12 months, or an average of fees on parcels of property within comparable zonings or uses; and

WHEREAS, there has been prepared and filed with the County Clerk on April 10, 2018 a list, entitled "District No. 24 (Groundwater Remediation) 2017 Fee Apportionment List" (the "Fee Apportionment List"), of each parcel of property within the District (excluding parcels owned by the United States) and an apportionment of the Fiscal Years' Amount to be raised by the fees described above to each parcel of land in the District, which apportionment is based on the amount billed to that parcel for water, weighted and adjusted as described in paragraphs (b), (c) and (d) of subsection 1 of NRS § 540A.265; and

WHEREAS, the Board has determined and hereby determines that the apportionment provided in the list described above is fair, just and equitable and is hereby adopted.

NOW, THEREFORE, THE BOARD OF COUNTY COMMISSIONERS OF THE COUNTY OF WASHOE, IN THE STATE OF NEVADA, DO ORDAIN:
