Washoe County Strategic Objective supported by this item: Stewardship of our Community

PREVIOUS ACTION

Each year that Washoe County has received the GFOA Distinguished Budget Presentation Award, the Board of County Commissioners has acknowledged receipt of the recognition of the achievement.

BACKGROUND

The Government Finance Officers Budget Awards Program is designed to encourage governments to prepare budget documents of the highest quality to meet the needs of decision-makers and citizens. This award represents a significant achievement for Washoe County and reflects our commitment to meeting the highest principles of governmental budgeting. In order to receive the budget award, Washoe County had to satisfy nationally recognized guidelines for effective budget presentation. Those guidelines are designed to assess how well Washoe County's budget serves as a policy document, a financial plan, an operating guide, and a communications device. This is the 16th year that the award has been received by Washoe County.

The Fiscal Year 2017-2018 Budget was prepared by the dedicated staff of the County Manager's Office Budget Division, led by Mark Mathers, former Budget Manager, and included Jon Bozanich, Lori Cooke, Kari Estrada, and Valerie Gilmore. The budget staff produced the document that met the standards set by the Government Finance Officers.
