PREVIOUS ACTION

Prior to 2015, the County Finance Director of County Comptroller administratively submitted the Indebtedness Report to the Washoe County Debt Management Commission and to the Nevada Department of Taxation for the purpose of transparency. Beginning in 2015, staff began presenting the attached report and accompanying schedules to the Board of County Commissioners for their approval.

AGENDA ITEM # _____

BACKGROUND

The Debt Management Commission Act (NRS 350.013) requires municipalities to annually submit a “complete statement of current general obligation debt...and a report of current debt and special assessments and retirement schedules, in the detail and form established by the Committee on Local Government Finance” and a “complete statement, in the detail and form established by the Committee on Local Government Finance, of general obligation debt...contemplated to be submitted to the commission during the year.”

The attached Indebtedness Report and accompanying schedules for FY 2017-18 fulfills these requirements.

FISCAL IMPACT

There is no financial impact associated with the filing of these documents.

RECOMMENDATION

It is recommended that the Board of County Commissioners move to approve the Washoe County’s Indebtedness Report and accompanying schedules for Fiscal Year 2017-18 as of June 30, 2018. If approved, staff will submit the report and schedules to the Washoe County Debt Management Commission and to the Nevada Department of Taxation by August 1, 2018.

POSSIBLE MOTION

Should the Board agree with staff’s recommendation, a possible motion would be to “move to approve the Washoe County’s Indebtedness Report and accompanying schedules for Fiscal Year 2017-18 as of June 30, 2018.” If approved, staff will submit the report and schedules to the Washoe County Debt Management Commission and to the Nevada Department of Taxation by August 1, 2018.
