**Re:** Appointment of Lt. Mike Bassi to the E-911 Emergency Response Advisory Committee

Dear Marsha,

The E-911 Emergency Response Advisory Committee is established by County Code to oversee the plan for enhancements to the County's 911 System and to make recommendations on expenditures of revenue collected through the telephone line surcharge allowed by state statute. Members of the committee must be a resident of and a qualified elector in Washoe County and possess knowledge concerning telephone systems for reporting emergencies.

Washoe County Sheriff's Office Lt. Bill Ames has served on the committee since 2016 but is transferring to another division. This is to inform you I have appointed Lt. Mike Bassi to the E-911 Emergency Response Advisory Committee. Lieutenant Bassi meets the qualifications of this appointment.

Sincerely,

A handwritten signature in black ink that reads "Chuck Allen".

Chuck Allen, Sheriff
