Washoe County Community Service Application

Briefly, in your own words explain why you would like to be appointed to the Board.

Well, working in this capacity and learning more about the wildlife in this area, is very interesting to me. I think rancher/farmer participation is key to understanding how we co-exist with the animals, as it is a daily occurrence for me, being on a 17 acre ranch.

Describe your qualifications for this appointment, including, but not limited to, your educational background, professional background and awards/honors.

My educational background is that I have a bachelor's degree from U.N.R. in Human Development & Family Studies. I currently own my own business, of 13 years. I have owned a 17 acre ranch for 6 years, that has been in our family for over 100 years. I am a native nevedan and participated in ranching my whole life.

List your community and/or civic involvement history.
