Re: 2019 State Public Library Collection Development Funds

Washoe County Library System will receive a state collection development award allocation of \$23,058 for FY 2019. This amount is based on the library's FY 2017 Local Collection Development Expenditures, as submitted through BiblioStat of \$904,794.

The awarded state funding can be used for the purchase of books, library materials, and computer databases. The money granted cannot supplant, nor cause to be reduced, any other source of funding for the public library.

Enclosed is the Grant-in-Aid form for the distribution of the funds. Please note on the form if your fiscal agent is not the library. If you have not already done so, please update that information so that the check is sent to the correct address.

Please sign the Grant-in-Aid form and return it to Norma Fowler. I will sign the form when it is received, and a signed copy will be returned to you.

If you have questions about the State Public Library Collection Development Fund project, please contact Norma Fowler at 775-684-3407, or at nfowler@admin.nv.gov.
