VOLUNTEER APPLICATION: Animal Services Advisory Board

Application for Animal Services Advisory Board

Additional Information:

As a resident of Washoe county and avid animal lover I believe that we should provide excellent services to our abandoned and neglected animal friends. Ultimately, providing high-quality and responsive service to animal concerns/emergencies while working to reunite owners with their pets and locate new homes for abandoned animals is a requirement for a community our side. My experience in working business and as a past member of a homeowner's association would be beneficial to animal services to help improve service levels and the tremendous community benefit provided.
