VOLUNTEER APPLICATION: Animal Services Advisory Board

Application for Animal Services Advisory Board

Additional Information:

As a lifetime Reno resident and pet owner, I would enjoy the opportunity to help provide education and communication, and help steer guidelines to Washoe County residents which would benefit them and especially their pets. I am passionate about finding every pet a good home, while holding residents accountable for following established rules and regulations and also treating their animals properly, including providing proper housing and health care. As a fully licensed Realtor and Property Manager, I feel that I have an extraordinary knowledge of many of the struggles that people have regarding being properly informed about the rules, regulations, and laws regarding pet licensing, and about their expectations as a good owner. I'm in a unique position to get more input from residents, both new and long-term, regarding their impressions of the current systems, and I would like to help in finding more ways to spread the message between the community and the Regional Animal Services Department. I would consider it a privilege to server on this board. Thank you for your consideration.
