Application for Animal Services Advisory Board

Additional Information:

Born and raised in Reno NV, I graduated from Reno High School in the 70's. A lifelong Reno native I know this are extremely well, I have seen the changes it has endured over the years and as a full time Realtor I am very familiar with the diversity of our community and the different areas we encompass. I obtained my Real Estate license in 2003 and joined my brother in Vantage Realty. My brother, Charles has been a Realtor here since the 1970's. During the next 15 years I facilitated hundreds of successful transactions. During this time, I also had a property management permit and managed up to twenty homes at a time, and submitted all required financial forms to the state for trust accounts on a timely basis. I am familiar with the landlord tenant laws and guidelines. In 2016, I moved business to Remax Professionals and quickly became the "Pawstively Committed Reno Realtor of Remax Professionals" due to my heavy involvement in animal rescue. I am one of the founding partners of the "Heroes and Hounds Team" at Remax Professionals. Named for our support of our local heroes, i.e. firefighters, law enforcement, military and my support of the animal community her in town. I am extremely active in animal welfare here in Washoe County. I am President of "For Pets Sake Inc" the oldest independent rescue here, founded by Sara Pederson in 1984. I also manage fundraising for "Res-Que" the largest independent rescue here in Washoe County. I have served as the Chair of the Access Advisory Board for the City of Reno and was on the planning committee for Reno's Disability Awareness Day. I helped found the Reno Super Adoption Day for animals held in May 2008 at the Washoe County Fairgrounds with seed money from "Best Friends Animal Society" I have chaired the 2008 "An Affair to Remember" for the Northern Nevada SPCA and was on the 2009 Committee for the event, and again chaired the 2010 event. I recently received the "Spirit Award" from the Association of Fundraising Professionals, Sierra Chapter for her work with the SPCA and other charities in Washoe County. I am also knowledgeable in Sign Language. In what little spare time I have, I love the outdoors, needlework, my grandchildren and animals. I fully appreciate the benefits of owning Real Estate and has tremendous respect for the Real Estate market. I would be honored to serve on this board Sincerely Patricia Fabre Johnson

Job Title
Product Placement/ Controller
Duties

I worked for Mercedes Benz of North America in their Hollywood, CA facility. I began as accounts payable and then became controller, with accounts I managed into the millions of dollars. I had a daughter in 1985 who was born deaf and I wanted to cut back my responsibilities to focus on her education so I took over product placement. This involved obtaining spots in television shows, movies, events etc to showcase Mercedes Benz Automobiles
