Application for Animal Services Advisory Board

Additional Information:

I have a wide variety of skills gained from working in management with large corporations to small not-for-profit corporations. I have always been a pet owner. I feel I can bring a benefit of organizational and people skills to the organization to continue the excellent work it has accomplished in the past. I am semi-retired and have time to devote to the position. I am a private pilot and corporate officer which requires skills and discipline to accomplish.
