Subject: VOLUNTEER APPLICATION: Animal Services Advisory Board

Application for Animal Services Advisory Board

Additional Information:

We are a Farm Family that moved to Reno for the job opportunities. I have always been involved with all aspects of animal rescue, animal care and teaching others about animals. When we moved to Reno, we bought a house in a subdivision that has allowed us to continue with our Border collie rescue. I have been involved with the wild horse issue and would like to make a contribution.
