To Whom It May Concern,

As a resident of Assembly District 30 for the past two years and a currently registered voter, I would like to be considered for the vacant seat for AD 30. I have been an active voter since I turned eighteen, a resident of Nevada for eleven years, and a home owner and resident of Reno/Sparks for the past four years.

I am actively involved in politics as the Washoe Education Association (WEA) Building Representative for E. Wooster High School where I currently work as an educator with English Language Learners. I have recently completed an Educators to Legislators course and am beginning my second two-year term as one of the WEA delegates to the Nevada Delegate Assembly. This is my nineteenth year in education. My M.S. is in Secondary Education and my areas of specialty which I have experience teaching are: Government, Economics, Psychology, History (World & US), English, AP Language & Composition, and EL English instruction to name a few. I have also had the opportunity to teach adults in four states.

In addition to my work in education, I owned my own financial services business while living in Michigan and held a securities license and an insurance license. In the ten years that I worked in this field I had the opportunity to work with families and businesses with diverse needs to help them find financial security and achieve their family and business goals. While working in my business I interviewed and hired over a 100 people and provided training for my peers and colleagues.

I believe that the combined education, work experience, and the diversity of my life experience places me in a unique position to serve my community and the state of Nevada. All the years of my adult working life have been in a position of service that has allowed me to try to make a difference in the lives of others. I sincerely believe that the position of Assembly woman is the next step in continuing this life of service. If you have any questions, please reach out. Thank you for your time and consideration in this matter.

Sincerely,

Debra Lynn Harris
