The Washoe County Board of Commissions,

My name is Evan Pritsos and I am applying for the position of Assemblyperson for Nevada Assembly District 30. I am a third generation Nevadan and a native of Sparks. Assembly District 30 is where I grew up, where I went to High School and where I still live. This community has been my home for most of my life and I would be honored to be able to serve Sparks in the Nevada State Assembly.

I have engaged in political and civic activities in the community and throughout Nevada. I have volunteered, interned, and worked for numerous political campaigns, both local and national in 2008, 2010 and 2016. In 2010, I volunteered and helped then Sparks Councilwoman Julia Ratti on an event to clean up part of downtown Sparks along Victorian Avenue.

In the 2016-17 and 2017-2018 school years, I volunteered as a coach for Wooster High School's We The People team, helping to engage students in our political system and helping them grapple with Constitutional questions. Currently, I am an instructor of History and Political Science at TMCC and WNC. These experiences have taught me the importance of education, particularly civic education. This is a crucial issue for our community, and the state at large, and is the area I would like to focus on, if chosen for this position.

I believe that as a native of the area, I understand the people and the issues of this community, and would be an effective representative of the people of District 30.

Thank you for your consideration.

Sincerely,

Evan Pritsos
