AGENDA ITEM # \_\_\_\_\_

## **PREVIOUS ACTION**

On September 13, 2016 the Board approved Cost of Living Adjustments in base wage of 3% retroactive to July 1, 2016, 3.5% beginning July 1, 2017, and 2.5% beginning July 1, 2018; and updated sick leave/bereavement calculations, holidays and health plans; for Unclassified Management and Non-Represented Confidential employees, District Court employees, Justice Courts employees (excluding Justices of the Peace), Juvenile Services employees, and Truckee River Flood Management Authority's Executive Director and General Counsel.

On August 11, 2015 the Board approved 3% Cost of Living Adjustment to base wages for Unclassified Management, Non-Represented Confidential employees, District Court employees, Justice Courts employees (excluding Justices of the Peace), and Juvenile Services employees effective July 1, 2015.

## **BACKGROUND**

Represented employees' salaries are primarily governed by provisions within their negotiated contracts; unrepresented employees are primarily governed by the Washoe County Code Sections 5.109 through 5.147. The Board of County Commissioners has in the past adopted the same salary and benefits for unrepresented employees as have been negotiated for represented employees. The recommendation for salaries for these groups is a COLA of 3% effective July 1, 2019, and 2.5% effective July 1, 2020, and 2.5% effective July 1, 2021.

Also, the Board is requested to approve changes to the health plan language for Unclassified Management and Non-Represented Confidential employees, District Court employees, Justice Courts employees (excluding Justices of the Peace), Juvenile Services employees, and Truckee River Flood Management Authority's Executive Director and General Counsel; and increased shift differential and standby pay for Juvenile Services employees and confidential employees in the Alternative Sentencing Officer classification (15926) and Alternative Sentencing Sergeant (17550) classification. Where necessary, changes to County Code to reflect these changes will be handled through the preparation of a proposed ordinance pursuant to Washoe County Code 2.040. Following is a summary explanation of the substantive changes:

### **Health Plan**

The Health Plan language is cleaned-up to remove outdated information and to update the language to reflect current information and practice. Substantial changes include: Removing Section A. which includes the outdated "Cadillac Tax" language; Updating Section C. on the handling of a dispute over a medical claim; removing the reference to a Vice Chairperson; and in Section E. replacing the reference to the State PEBP Retiree Health plan subsidy with the County subsidy; updating the increase of the County provided monthly subsidy to occur only in years there is an increase to health premiums; clarifying that employees hired after June 30, 2010, that elect to remain in the County Retiree Health Plan, must, upon eligibility, enroll in Medicare Parts A and B with Medicare becoming the primary coverage; and updating that dependent children shall be covered up to the age of twenty-six (26) vs. through the age of eighteen (18).

### Shift Differential

Shift differential is a negotiated pay with represented bargaining units and is not a covered benefit for all non-represented employees under County Code. Certain non-represented employee groups have either gone to the Board to be approved for shift differential or have opted to identify shift differential as a benefit in their department specific Personnel Manual. For these non-represented employee groups, shift differential has been increased from six (6%) to seven (7%) of base salary.

Juvenile Services has opted to identify shift differential as a benefit in their department specific Personnel Manual for performing work between the hours of 6:00 p.m. and 6:00 a.m.

On August 9, 2016 (Agenda Item #5C), the Board approved the Alternative Sentencing Department's request for the confidential non-represented classifications of Alternative Sentencing Officer (15926) and Alternative Sentencing Sergeant (17550) to be eligible to receive shift differential pay for performing work between the hours of 7:00 p.m. and 7:00 a.m. commensurate with other sworn peace officers.

### Standby Pay

Standby pay is a negotiated pay with represented bargaining units and is not a covered benefit for all non-represented employees under County Code. Certain non-represented employee groups have opted to identify standby pay as a benefit in their department specific Personnel Manual. For these non-represented employee groups, standby pay is being increased from \$5 per hour to \$6 per hour.

Juvenile Services has opted to identify standby pay as a benefit in their department specific Personnel Manual for an employee assigned to standby duty.
