### **CANCELLATION AGREEMENT**

The parties to this agreement (“Agreement”) are **Washoe County**, a political subdivision of the State of Nevada, hereinafter “County”, and **Silver State Kennels**.

WHEREAS, the parties to this Agreement entered into the following Water Sale Agreement:

- 1) Water Sale Agreement, recorded with Washoe County Recorder on August 22, 2001 as Document No. 2588111 (for 1.00 acre-feet of water rights).

WHEREAS, the parties entered into the above Water Sale Agreement in conformance with Washoe County Development Code, Article 422, in support of the project known as the Silver State Kennels located at 600 Lemmon Drive, in Lemmon Valley, Nevada.

WHEREAS, the Water Sale Agreement referenced above made the subject water rights available to support the project referenced above for a period of 99 years, at no cost to the applicant.

WHEREAS, pursuant to recent amendments to the Washoe County Code, Article 422, the water rights will be re-conveyed from the County to Silver State Kennels and the parties wish to terminate the above referenced Water Sale Agreement.

NOW THEREFORE, the parties agree as follows:

The Water Sale Agreement entered into by **Washoe County** and **Silver State Kennels** recorded as Documents No. 2588111 is hereby terminated and is released as a lien and charge against the water rights subject thereto, and each party, or their successor in interest will be returned to its position concerning said water rights as if said Water Sale Agreement had not been entered into. Washoe County re-conveys the subject water rights to Silver State Kennels by executing a water rights deed concurrent with this cancellation agreement.

Nothing herein shall affect any requirements that the water rights subject to this agreement continue to be used for the water service to and the operation of the project identified

above. Furthermore, upon execution of this Agreement, Silver State Kennels and the County will cause to be filed with the State Engineer's Office a request that the County be notified of any changes to the status of these water rights, including but not limited to any changes of point of diversion, place of use, manner of use, sale, transfer, or termination.

IN WITNESS WHEREOF, the parties hereunto have executed this Agreement as of the day and year written below.
