(All Commission Districts) FOR POSSIBLE ACTION

SUMMARY

Recommendation to approve a Technical Amendment and Correction to the collective bargaining agreement between the Truckee Meadows Fire Protection District and the Truckee Meadows Fire Protection District Firefighters Association, IAFF Local 2487 Supervisory Unit.

PREVIOUS ACTION

August 27, 2019, The Board of Fire Commissioners approved a retroactive collective bargaining agreement between the Truckee Meadows Fire Protection District and the Truckee Meadows Fire Protection District Firefighters Association, IAFF Local 2487 Supervisory Unit for a three year term effective July 1, 2019

BACKGROUND

After the agreement was approved and executed by the Board and Association, a typographical error was found on Appendix A – Salary Schedule, which incorrectly indicates the Position of Division Chief is assigned a 2912 hour annual schedule. The correct schedule for a Division Chief is 2080 hours annually. The District and Union also agreed to make a correction in the Table of Contents which incorrectly titled Article “SPECIALTY PAY/EMS PAY.” The correct title of the Article is “STANDBY COMPENSATION.” In addition to these changes, minor spacing and duplications were corrected in the Table of Contents and at Article 60. There are no changes in salaries or benefits as a result of any of these technical changes.

FISCAL IMPACT

There is no fiscal impact with this staff report as the changes are all technical in nature and do not change salaries or benefits of any kind.

Staff recommends the approval of a Technical Amendment and Correction to the collective bargaining agreement between the Truckee Meadows Fire Protection District and the Truckee Meadows Fire Protection District Firefighters Association, IAFF Local 2487 Supervisory Unit.
