Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on this board or commission?

I am an economist specializing in public finance and economic consulting services in Nevada and across the US. I have a strong understanding of the Nevada property tax system and would like to use this knowledge to review appeals concerning property tax assessment in Washoe County. My experience as a business owner is also useful in this process. I have already served one term as a member of the Board of Equalization and would like to continue my service to the County.
