Dear Mr. Vang,

On behalf of the Truckee Meadows Fire Protection District, it is my pleasure to provide you this letter of commendation for your service in our community. I want to express my heartfelt appreciation for your kindness and generosity you have displayed to our fire crews in the normal course of your duties during the deliveries of rags and towels at Truckee Meadows Fire Stations throughout Washoe County.

Particularly given that your personal property was threatened during the Jasper Fire, you and your family were kind enough to drop off a number of supplies that went to good use for our first responders during the incident.

Thank you for your exemplary service and support of the Truckee Meadows Firefighters.

Sincerely,

Charles A. Moore
Fire Chief
