Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on this board or commission?

I am interested in serving on the Planning Commission to serve the people of the county as an advisory role as I have experience that will be beneficial to the commission and the counties residents. I have a background in residential and commercial drafting and design, have been an insurance agent since 2004 and have inspected buildings and residences for insurance and underwriting purposes. I am very familiar with reconstruction types and costs in varying areas from residential to commercial and industrial. Also being a licensed real estate agent I have also helped clients buy and sell residential and commercial real estate in Washoe County. I have served in the Incline Village Optimist Club as their president for several years and have also served on the Sponsors Committee of the Reno Rodeo for the last 5 years, and have also served as the vice-chair to Red, White and Tahoe Blue as well. I currently also sit on the Board of Directors of the Nevada Builders Alliance of which I've been involved and have served for over 10 years. I look forward to serving my county and doing whatever I can to help. Best regards, Larry Peyton
