Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on this board or commission?

I am a UNR grad who returned home a little over 8yrs ago. My wife and I started Galena Sport Physical Therapy on Wedge Pkwy when it was still part of the county. Since then we've grown to (4) clinics. During that growth, I obtained a real estate license, and I now also work as a commercial realtor. About 2yrs ago, a Bed and Breakfast was proposed on my street N. Timberline. Myself and several neighbors got involved as we were concerned as to the impact on our neighborhood in regards to fire safety etc. We attended and spoke at the final hearing to consider the SUP approval. This was a very enlightening process as to how planning occurs in our county. I suppose that experiece is what inspires me most to serve.
