Coverage Highlights

The intent of this document is to briefly outline pertinent details of your insurance policies for your ready reference, and should not be considered a representation of the actual policy. For specifics on terms, coverages, exclusions, limitations, and conditions, the actual policy should be referenced.

Insurance Quotes

All quotes are subject to final underwriting and based on that, final rates, terms, and conditions, may change from those presented in this report.

Confidential

This document contains proprietary confidential information concerning LP Insurance Services, LLC and our clients. It may not be distributed or reproduced without the express prior written consent of LP Insurance Services, LLC. No disclosure concerning this document shall be made without the express prior written consent of LP Insurance Services, LLC.

Compensation

Insurance is highly regulated, competitive industry that fuels the US economy and protects individuals and commercial entities from losses. There is nothing more important to our industry and to LP Insurance Services, LLC than maintaining the trust.

- * Value and reward open, honest, two-way communication
- * Do what is right for the client
- * Talk and act with the client in mind
- * Exceed our client's expectations

We receive compensation from the insurance companies we represent when placing your insurance. Our compensation is usually a percentage of the premium you pay for your insurance policy ("commission"), which is paid to us by the insurance company.

We receive payments from insurance companies to defray the cost of services provided for them, including advertising, training, certain employee compensation, and other expenses.

Some of the insurance companies we represent may pay us additional commissions, sometimes referred to as contingent or bonus commissions, which may be based on the total volume of business we sell for them, and/or the growth rate of that business retention.

The amount of premium you pay for a policy may change over the term of the policy. For example, your endorsement requests will affect the premium. Should the premium for any of your policies change, the amount of compensation paid to us by the insurance company will also change.
