The Recipient shall at all times remain an "independent contractor" with respect to the services to be performed under this Agreement. The Department of Health and Human Services (hereafter referred to as "Department") shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance as the Recipient is an independent entity.

- 4. Either party may terminate this Agreement at any time by giving written notice to the other party of such termination and specifying the effective date thereof at least 30 days before the effective date of such termination. Partial terminations of the Scope of Work in Section B may only be undertaken with the prior approval of the Department. In the event of any termination for convenience, all finished or unfinished documents, data, studies, surveys, reports, or other materials prepared by the Recipient under this Agreement shall, at the option of the Department, become the property of the Department, and the Recipient shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents or materials prior to the termination.
 - The Department may also suspend or terminate this Agreement, in whole or in part, if the Recipient materially fails to comply with any term of this Agreement, or with any of the rules, regulations or provisions referred to herein; and the Department may declare the Recipient ineligible for any further participation in the Department's grant agreements, in addition to other remedies as provided by law. In the event there is probable cause to believe the Recipient is in noncompliance with any applicable rules or regulations, the Department may withhold funding.
