Chair Chesney opened the public hearing.

Julee Olander, Washoe County Planner, provided a staff presentation.

Commissioner Phillips said she is new and wasn't involved with the planning. She asked about the cooperative agreement for the areas that are rural. Mr. Lloyd referenced the back of the packet of the staff report that shows a map of cooperative planning areas. He said these standards were adopted to address those areas: not really rural areas, but more of the areas adjacent to the TMSA.

Commissioner Chvilicek asked a point of clarification. She said at the time the Regional Plan was updated, there was one cooperative agreement still on the books, the Reno-Stead Joint Corridor. Mr. Lloyd noted that one was removed. There are no more joint plans.

Mr. Lloyd said this represents properties going through a discretionary process; we are required to contact the cities where there may be impact. He said we do that currently. He said we send the applications to cities for their review anyway.

Chair Chesney advised Commissioner Phillips to reference the Regional Plan and Spheres of Influence and what is allowed in each area. He stated rural areas are well protected in the Regional Plan.

There were no requests for public comment; Chair Chesney closed the public comment period.

10. Chair and Commission Items

***A.** Future agenda items – Commissioner Bruce asked when meetings will be back to normal and the public can attend. Mr. Lloyd said we are moving in that direction. The County Commission has started allowing the public to attend their meetings. He said we would like to as soon as possible.

***B.** Requests for information from staff – Commissioner Donshick requested an Organizational Chart of the Departments. Mr. Lloyd said he can provide that for the Commission.

Commissioner Peyton requested streamlining business application process. Mr. Lloyd thanked him for the process suggestion and will work with him, but it's not a Planning Commission item.

Mr. Lloyd said he will bring a master plan update status at the next meeting.

12. *General Public Comment and Discussion Thereof

Chair Chesney said he was volunteered to be part of the Regional Transportation Commission's Road Impact Fee and Technical Advisory Committee. He said he attended his first meeting by Zoom. He reported that Regional is working with RTC and cities and County to look at where we are going with roads, funds, and developer funds. He said it was very interesting. He said we look at these projects and think the infrastructure is so far behind, but truly RTC is working hard with NDOT and the Feds to get these projects and corridors updated. He said he wanted to give that report back to the Commission.

With no requests for public comment, Chair Chesney closed the public comment period.

13. Adjournment

With no further business scheduled before the Planning Commission, the meeting adjourned at 7:25 p.m.

Respectfully submitted by Misty Moga, Independent Contractor.
