FBI Northern Nevada Child Exploitation and Human Trafficking Task Force - TFO Overtime

Sheriff Balaam;

This letter provides notice of the continuation of the MOU and CRA which were executed by the Federal Bureau of Investigation (FBI) Las Vegas Division and the Washoe County Sheriff's Office (WCSO) through the U.S. Federal Government's fiscal year 2021.

Detective Greg Sawyer is presently assigned to the FBI Northern Nevada Child Exploitation and Human Trafficking Task Force (NNCEHTTF) as a full-time Task Force Officer (TFO) and as such the FBI may reimburse the WCSO for the cost of overtime incurred by Detective Sawyer as a result of NNCEHTTF related activities.

For fiscal year 2021, the maximum limit for reimbursements under the CRA is \$19,180.25. This limit is effective for overtime worked on or after October 1, 2020.

If you have any questions, please contact SA Paul Cline, NNCEHTTF Coordinator at (775) 530-5371.

As always, your agency's collaborative efforts are greatly appreciated.

Sincerely,
