Incidents Totals for the Month of March
Incident Detail
Call Volume by Station & Battalion
Automatic and Mutual Aid

Joint Academy ladder company operations at the Carson City training grounds.

Our Mission:

Committed to excellence in service, and the protection of life and property in our community.

Incidents of Interest

Donate Life Month

TMFR has participated in Donate Life Month, supporting the Nevada Donor organization message to Washoe County and encouraging the public to become organ donors. A regional event showing solidarity with local fire agencies and law enforcement was held on April 14.

Simultaneous Structure Fires - Lemmon Valley and Sun Valley

Firefighters extinguished two simultaneous structure fires on Friday April, 23. The fires were dispatched within 20 minutes of each other. Both causes to the fires had electrical origins.

Green Waste Collection - Palomino Valley and Lemmon Valley

Crews received about 175 loads equal to approximately 1500 cubic yards at the Lemmon Valley event and 40 loads at the Palomino Valley event which equaled about 300 cubic yards of material. The weather for the Palomino event was blustery and cold, which may have contributed to the lower than expected turnout.

Incidents of Interest

Automatic Aid to Sparks - minor fire in roadway median

Crews knocked down a minor fire in the median of a roadway in Sparks on an automatic aid call. The likely cause is discarded smoking material. The call illustrates early dry conditions that exist.

Structure Fire contained to garage - Cold Springs.

On Saturday, April 10, firefighters contained a structure to a garage. There were no injuries.

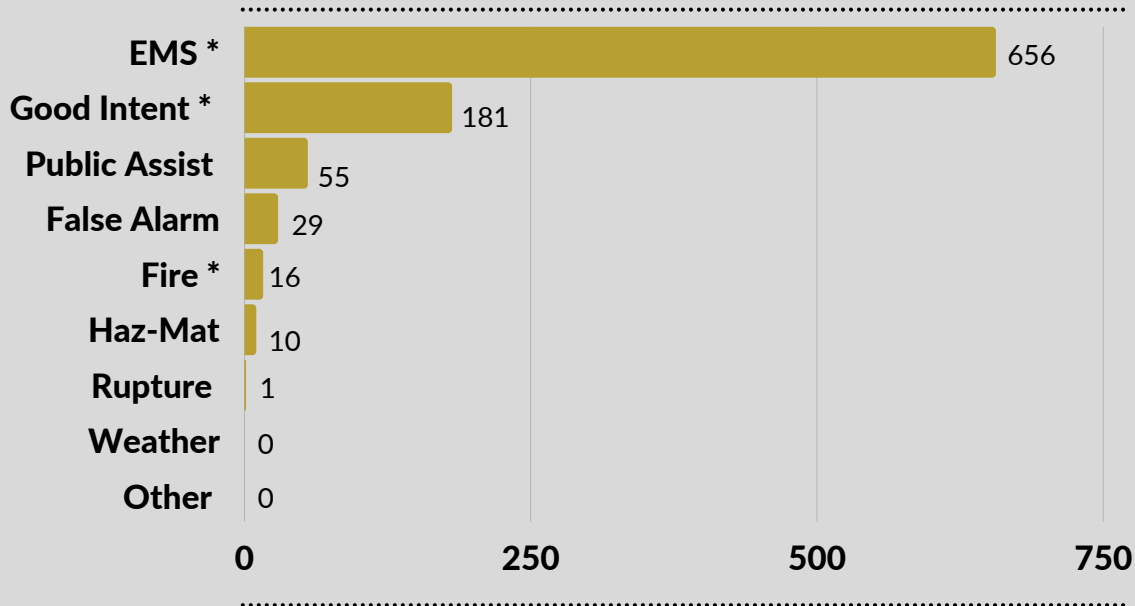

Drive Through COVID Vaccination PODS

District paramedics provided a drive through vaccination clinic on Saturday April 24 for 150 citizens. The event was moved indoors due to wind. TMFR anticipates running PODS to June 1 - after that, PODS will likely consolidate locations.

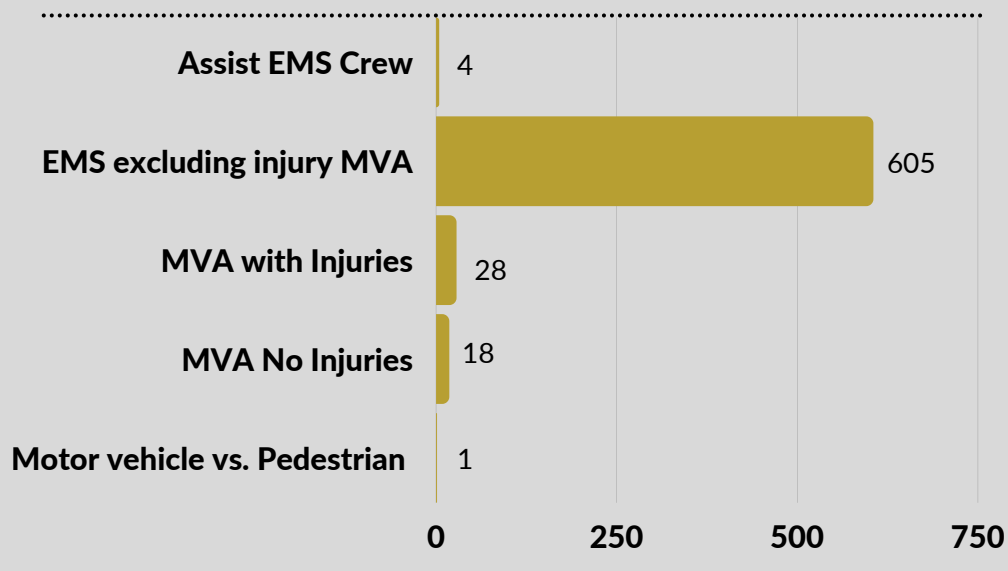

March 2021 Response Statistics

Incident Total for March 2021: 948
