FY2018, \$4,571,546 for FY19, \$4,662,677 for FY20, and \$4,755,631 for FY2021] for the purpose of providing child support establishment and enforcement services in Washoe County on cases that do not involve state administered public assistance to one of the parents.

BACKGROUND

The funding is outlined in Attachment E of the interlocal contract, the Child Support Performance Act of 1998 and 45 CFR 305 required incentive payments to be based on the states' performance. The distributions of the incentives will be calculated by the Nevada IV-D offices and disbursed to IV-D offices based on performance in four areas 1) paternity establishment; 2) cases with orders; 3) collections on current support; and 4) collection on arrears. These funds can only be used for reinvestment in the program and other approved activities that will contribute to improving the effectiveness of the IV-D Program.

Having excelled in these areas, the Washoe County District Attorney's Office Child Support Enforcement Program has earned additional incentive funds in the amount of \$394,374.26 for Federal Fiscal Year 2017. Awards are made approximately two years after the end of the fiscal year (i.e., 2018 incentive dollars may be announced in 2020).

These funds can only be used for reinvestment in the program and other approved activities that will contribute to improving the effectiveness of the IV-D Program.

Currently the incentive funds provides for three (3) Family Support Specialist positions (ongoing approval since 2015) and fund other program expenses such as travel and equipment as approved by the State of Nevada.
