**BOARD OF FIRE COMMISSIONER REQUESTS**

## Board of Fire Commissioner Request Update: September 7, 2021

	<b>Request</b>	<b>Status</b>	<b>Commissioner and Fiscal Note</b>
1.	Historic fiscal impact cost study on calls to RSIC.	The Board will receive an update in the Chief's Report at the November 2021 Board Meeting.	Hartung/Jung Fiscal Impact: Unknown at this time
2.	Research best practices for departments similar to ours "apples to apples" and how they respond to different levels of priority calls.	The District is currently reviewing and analyzing similar data for the District new Ambulance Transport Program being brought to the Board in September. An update will be included on this request when the Board is updated on the Ambulance Transport Program in October or November 2021.	Jung Fiscal Impact: Unknown at this time
3.	Restart/start conversation with TMWA, Great Basin Water and Sun Valley GID regarding fire hydrant maintenance on hydrants located on public-right-of-way properties.	Chief Way will give an informational briefing at the October Board Meeting.	Hartung Fiscal Impact: Estimated annual cost not to exceed 40K
4.	District Annexation and sustainability analysis.	The Board approved staff time and hiring of professional services in the total amount of \$20,000 on November 10, 2020. Staff Plans on bringing an update October/November 2021 Board Meeting.	Jung/Herman Approximately \$20,000 Fiscal Impact.
