File #: TMP-4131 **Version:** 1 **Name:**
Type: Public Hearing **Status:** Miscellaneous
File created: 5/26/2020 **In control:** Community Services Department
On agenda: 9/22/2020 **Final action:**
Title: Public Hearing: Appeal of the denial, by the Washoe County Board of Adjustment of Special Use Permit Case Number WSUP20-0002 (Boneyard Flat Grading Phase 2), which sought approval of a special use permit to allow the excavation of approximately 1,000,000 cubic yards of earthen material from the Boneyard Flat area to be used as fill material throughout the Eagle Canyon residential area and the Spanish Springs Business Park industrial area. The project is also intended to increase the holding capacity of the Boneyard Flat flood pool.

The proposed project is located North of the terminus of the Sha-Neva haul road and south and west of the Pebble Creek Subdivision.

The Board may affirm, reverse, or modify the decision of the Board of Adjustment. In doing so, the Board may directly grant all or part of the special use permit request. Community Services.
(Commission District 4.) FOR POSSIBLE ACTION
