Public hearing to approve or deny an Outdoor Festival business license application (pursuant to Washoe County Code Chapter 25 and related provisions) and associated license conditions submitted by Spencer Humiston on behalf of Happy Fun Events, LLC for The Lantern Fest, scheduled to be held at the Wild West Motorsports Park.

The Truckee Meadows Fire District is recommending the Board deny the application based on the 2012 International Fire Code and that the proposed event will be conducted in a manner not meeting the fire safety standards established by Washoe County, specifically the proposed uncontrolled release of flaming material. The Board may deny the application or consider approving the application. The Board will be provided information as to whether all pre-event conditions have been completed by the applicant. If the Board deems that pre-event conditions have been completed sufficiently to warrant approval, authorize the Director of the Planning & Building Division, Community Services Department to issue the license when all required business license fees have been paid.
