Recommendation to provide direction to staff whether or not to object to the finding of nonconformance with the Truckee Meadows Regional Plan, by the Truckee Meadows Regional Planning Commission (TMRPC), on Regional Conformance Review Case Number CR19-009 for Washoe County Master Plan Amendment Case Number WMPA17-0010 (Silver Hills). If not successfully objected to or appealed, the finding of nonconformance would effectively overrule the County Commission's approval of the Silver Hills Project application which, among other things, would result in new master plan and regulatory zone designations for approximately 780 acres of land adjacent to Red Rock Road (APNs 087-309-10, 087-390-13, 086-232-31 and 086-203-05). The new designations would accommodate up to 1872 dwellings, amounting to an increase in potential density from one dwelling per acre to approximately 2.5 dwellings per acre. The applicant and landowner in the underlying matter is Lifestyle Homes TND, LLC.
