RE: Letter of Intent to Award Federal Fiscal Year 2025 Homeland Security Grant
Program Funds

Mr. Ceballos:

This letter is to inform you that the Nevada Office of Emergency Management (OEM) intends to award a Fiscal Year 2025 Homeland Security Grant Program subaward to Washoe County, Nevada. This project will fund approximately 1 year of continuity for the Perimeter software (\$213,000). Once we have award documents from the Federal Emergency Management Agency (FEMA), we will pass through funding to Washoe County.

We anticipate that the grant performance period will be October 1, 2025, through September 30, 2027. Adhering to the grant performance period is a condition of the grant award. In order to receive reimbursement, all grant expenditures and reporting must be completed by the end of the grant performance period.

The purpose of this letter of intent is to assist local and tribal jurisdictions to work through their internal grant approval process.

We anticipate that the Federal Fiscal Year 2025 HSGP award will be approved and ready for Washoe County to accept by mid-March of 2026.

If you have any questions or if we can be of assistance, please contact the Nevada Division of Emergency Management, at (775) 687-0300.

Best Regards,
