Interests & Experiences**Which Boards would you like to apply for?**

Deferred Compensation Committee: Submitted

Please tell us about yourself**Why are you interested in being part of this board/commission or academy?**

I have long had an interest in financial planning -- it can open doors for people. Over the course of my 40+ years as an accountant, I have always participated in my employers' deferred compensation plans. As noted on the attached, I attended and participated in nearly all the quarterly DCC meetings for 7 years. I would like to continue helping the County's employees and retirees have quality tools available to them to achieve their financial goals and have a successful retirement.

How do you feel you are qualified to serve on this board/commission? Include any past experience, as well as serving on other board/commissions.

Seven years of participation on the DCC and oversight of the County's Payroll Division, which was responsible for ensuring amounts were properly deducted from employees' paychecks and timely remitted to the custodian. One of my regular discussion points when participating on the DCC was educating employees and retirees on the benefits of their participation in the DCC. As a retiree, I want to continue that educational push. I also have additional knowledge and experience with how DCC distributions fit with pensions.
