### **BACKGROUND**

Washoe County Parks is partnering with the Carson Ranger District of the Humboldt-Toiyabe National Forest to construct a portion of the Sierra Front Trail which provides connections between the Thomas Creek, Ballardini Ranch, and Michael D. Thompson Trailheads. The Sierra Front Trail crosses a combination of County owned open space, public use trail easements, and Forest Service lands. The County owns and maintains the Ballardini Ranch Trailhead and maintains the Thomas Creek and Michael D. Thompson Trailheads which are owned by the Forest Service. The Board approved a Non-Funded Cost Share Agreement with the Humboldt-Toiyabe National Forest on July 16, 2024, that allows Washoe County to maintain both current and future sections of the Sierra Front Trail and to continue maintaining the Thomas Creek and Michael D. Thompson Trailheads.

The Board accepted a State of Nevada, Division of State Parks Recreational Trails Program (RTP) grant on December 8<sup>th</sup>, 2020, to assist with completing the Sierra Front Trail connection between the Thomas Creek and Ballardini Ranch Trailheads. Construction of the 6.5-mile section connecting the Thomas Creek and Ballardini Ranch Trailheads was completed and opened to the public in June 2022. The Board approved an additional RTP grant on July 20<sup>th</sup>, 2021, to complete planning for the next section of the Sierra Front Trail connecting the Ballardini Ranch Trailhead to the Michael D. Thompson Trailhead.

The proposed trail alignment crosses several privately owned parcels where public trail easements were obtained. Washoe County Parks submitted a request to the Caughlin Ranch Homeowner's Association for a public trail easement through two undeveloped common area parcels in the Juniper Trails subdivision (Assessor's Parcel Numbers 220-011-03 and 220-011-11). The Public Trail Easement Deed and Maintenance Agreement was approved by the Caughlin Ranch Homeowner's Association Board on July 24, 2024, and subsequently approved by the Board of County Commissioners on August 27, 2024.

Washoe County Parks provided conditions of approval for Amendment of Conditions Case Number WAC22-001 and Special Use Permit Case Number WSUP22-0007 (Ridges at Hunter Creek Phases 1 & 2) which were approved by the planning commission on June 7, 2022. The conditions of approval required the applicant to dedicate a 15' wide, non-motorized, multi-use, public trail easement through Assessor's Parcel Number 041-671-04 to Washoe County for construction of the Sierra Front Trail. The Public Trail Easement Deed and Maintenance Agreement was approved by the Board of County Commissioners on November 19, 2024.

The Carson Ranger District of the Humboldt-Toiyabe National Forest signed the Decision Memo approving this section of the Sierra Front Trail on May 29, 2025. The final trail alignment includes 13.1-miles of multi-use singletrack trail and 4 proposed

bridge crossings connecting the Michael D. Thompson Trailhead to the Ballardini Ranch Trailhead. The Board accepted a State of Nevada, Division of State Parks Recreational Trails Program (RTP) grant on July 8<sup>th</sup>, 2025, to construct Phase 1 of the Sierra Front Trail which includes 7.7-miles of new non-motorized singletrack trail that will connect the Michael D. Thompson Trailhead to Hunter Lake Road.

This RTP planning grant supports the design of four trail bridges that will be included in the final section (Phase 2) of the Sierra Front Trail connecting from Hunter Lake Road to the Ballardini Ranch Trailhead.
