SUMMARY

The Washoe County Registrar of Voters Office submitted a request to the Nevada Secretary of State for reimbursement for the purchase of a BlueCrest, Inc. Vantage Letter and Flats Mail Sorter to replace the ballot sorter in the Registrar of Voters office. This purchase is an allowable use of the funds allocated in AB321 (2021 Legislative Session). The Secretary of State approved the request for reimbursement once purchased by Washoe County. The new sorter will allow Washoe County to process and sort mail in ballots more efficiently in the upcoming 2024 election cycle.

This grant requires Registrar of Voters FY24 budget contribution of [\$4,563] as the total cost of the BlueCrest equipment estimate is \$590,640 and requires the materials to be purchased and proof of purchase and completion of the project by the end of December 2024.

AGENDA ITEM # _____

PREVIOUS ACTION

On December 19, 2023, the Board approved the purchase of 80 large mail ballot drop boxes from Securr Sales and vinyl wrapping from a separate vendor, and accepted reimbursement from the Nevada Secretary of State in the amount of [\$124,316; no County match] from funds allocated to the Secretary of State through AB321 (2021 Legislative Session); and authorized the Registrar of Voters to execute the purchase.

BACKGROUND

During the 2021 Legislative Session, AB321 was passed making Nevada an all-mail ballot state. To support these mandates funds were allocated to the Secretary of State to be used to assist counties in implementing this change. Washoe County has an existing sorter that frequently breaks, slowing down the efficient processing of mail in ballots.
