- Opioid Settlement Recovered Funds to be received until approximately 2042
  - **\$41 million over the next 20 years**
- **\$2.8 million received** from the Attorney General's Office (as of October 2023)
- By 12/31/2023 - \$6.2 million available to distribute
  - subject to **annual reporting** and eligible use requirements.

## Notice of Funding Opportunity – Spring 2024

- Funding **priorities & allocations** based on:
  - *Washoe County Opioid Use/Opioid Use Disorder Community Needs Assessment; Washoe County Opioid Plan 2023-2025* - approved by BCC in December 2022
  - Updated every three years
- **Open competitive** grant awards
  - County departments\*
  - nonprofit organizations
  - treatment providers
  - private entities

\*Preference given to internal Washoe County projects

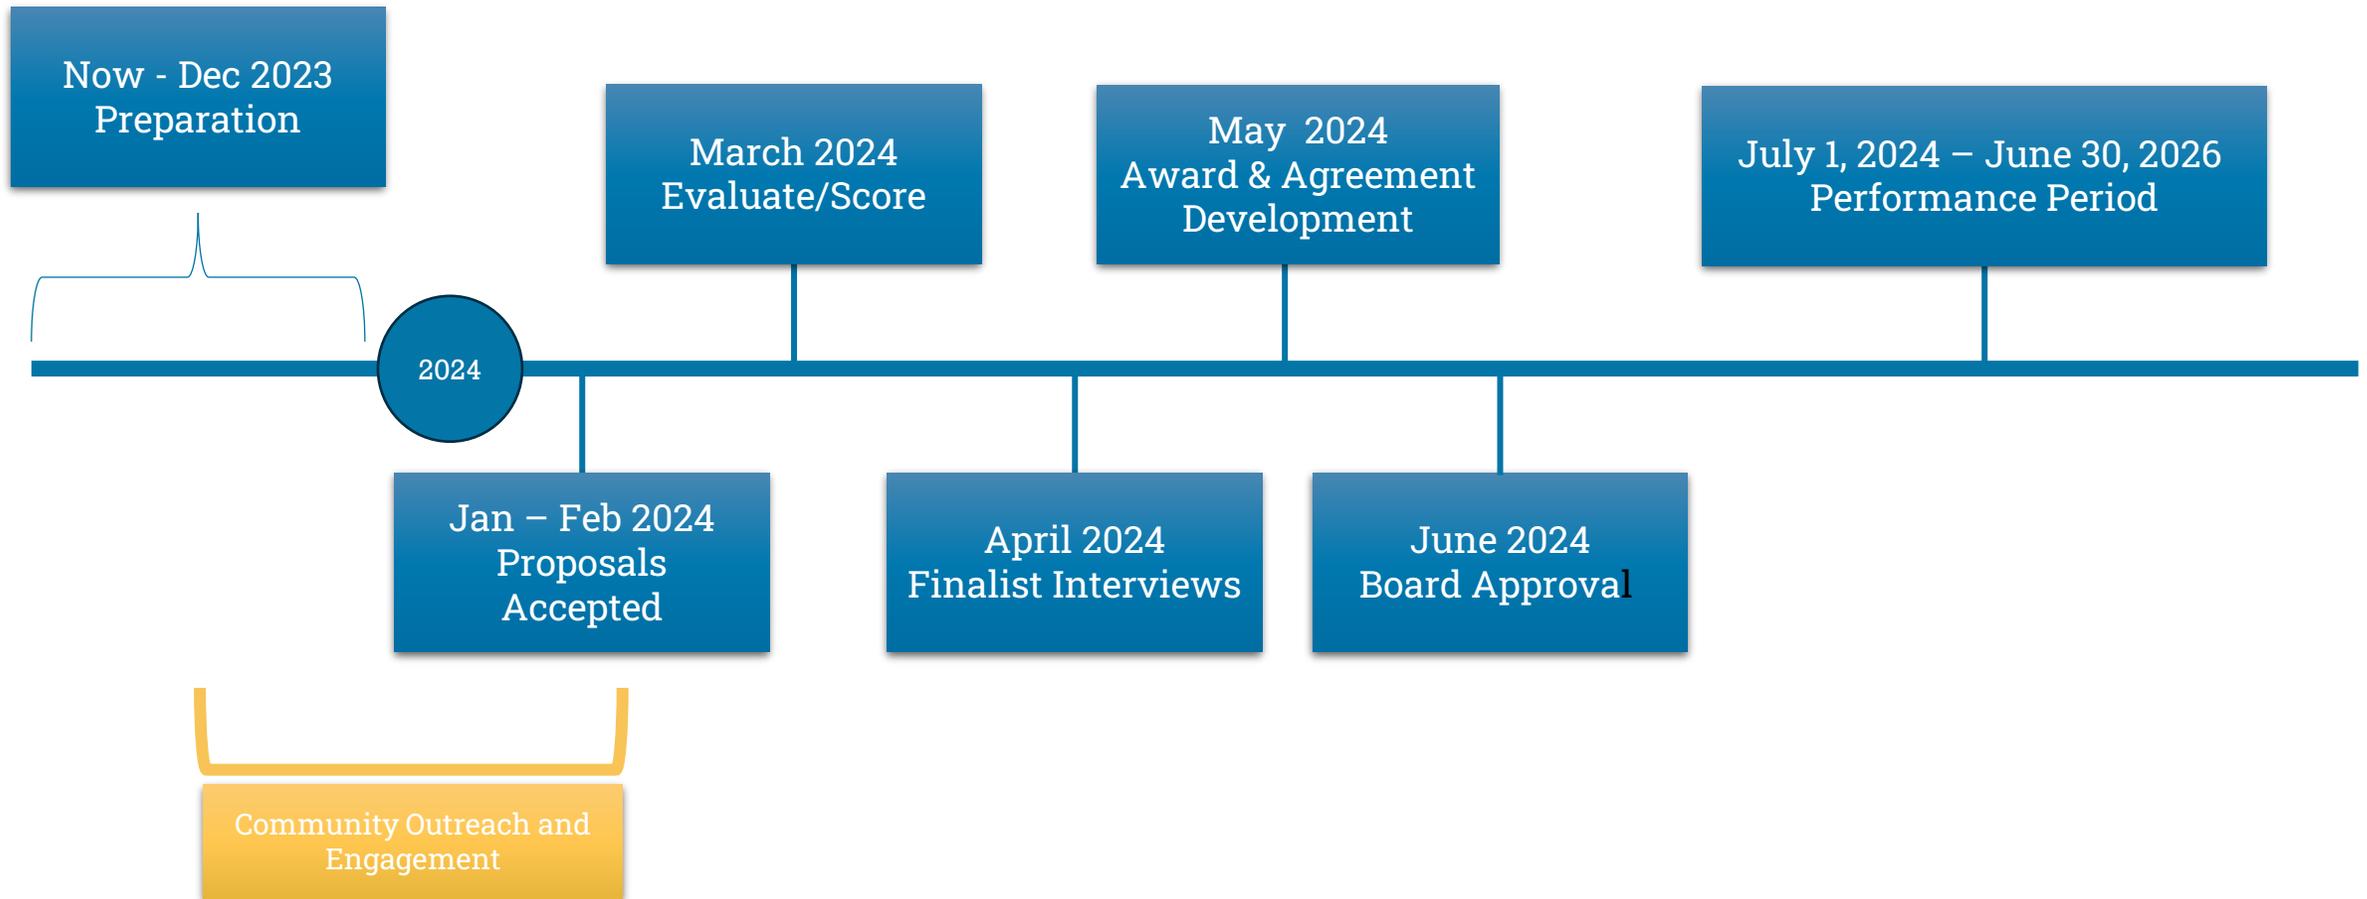

## Fund Distribution

- Solicitation of grant proposals: **January 2024** (open 6-8 weeks)
- Anticipating ~**\$5.6 million** distributed to projects and programs
- **Up to 2-years funding allocations** (7/1/2024 – 6/30/2026)
- Second funding cycle, 3-years (7/1/2026 – 6/30/2029)

## Timeline

## Funding Priorities (from Needs Assessment)

Ensure funding for Opioid Use Disorder **services for uninsured and underinsured** Washoe County residents.

Incentivize providers to initiate **buprenorphine in the emergency department** and inpatient hospital stays.

Prevention **outreach and education to BIPOC communities** in a culturally and linguistically appropriate manner.

Implement **Child Welfare best practices** for supporting families impacted by substance use.

Increase **detoxification and short-term** rehabilitation program capacity

## Evaluation and Selection Criteria

- **Evidence-based** or evidence-informed treatment
- Alignment with 2023-2025 **Needs Assessment** Priorities (link on website)
- Eligible Use under the **One Nevada Agreement**
- Advisory **Committee** (currently recruiting) will **review** and score proposals
  - Finalists to present to Advisory Committee
- Selections to be **approved by the Board of County Commissioners**
  - Both internal and external

## Examples of Uses of Funds

- Expand **access to evidence-based prevention**/early intervention for persons at risk of substance use disorder,
- **Treatment for substance use disorders**, and support for persons in recovery;
- Programs to **reduce** the incidence and severity of **neonatal abstinence syndrome (NAS)**;
- Prevention of adverse childhood experiences (ACEs) and early intervention for children who have undergone adverse childhood experiences and their families;
- Services to **reduce the harm** caused by substance use;
- **Prevention and treatment of infectious diseases** in persons with substance use disorders;
- **Services for children** and other persons in a behavioral health crisis and their families; and
- **Housing** for persons who have or are in recovery from substance use disorders;

## Examples of Uses of Funds (continued)

- Campaigns to **educate** and **increase awareness** to the public concerning substance use & substance use disorders;
- **Programs** for persons involved in the **criminal justice** or juvenile justice system and their families, including, programs that are administered by courts;
- **Evaluation** of existing programs relating to substance use and substance use disorders;
- **Development of the workforce** of providers of services relating to substance use and substance use disorders;
- The **collection and analysis of data** relating to substance use and substance use disorders;
- **Capital projects** relating to substance use and substance use disorders, including, construction, purchasing, and remodeling;

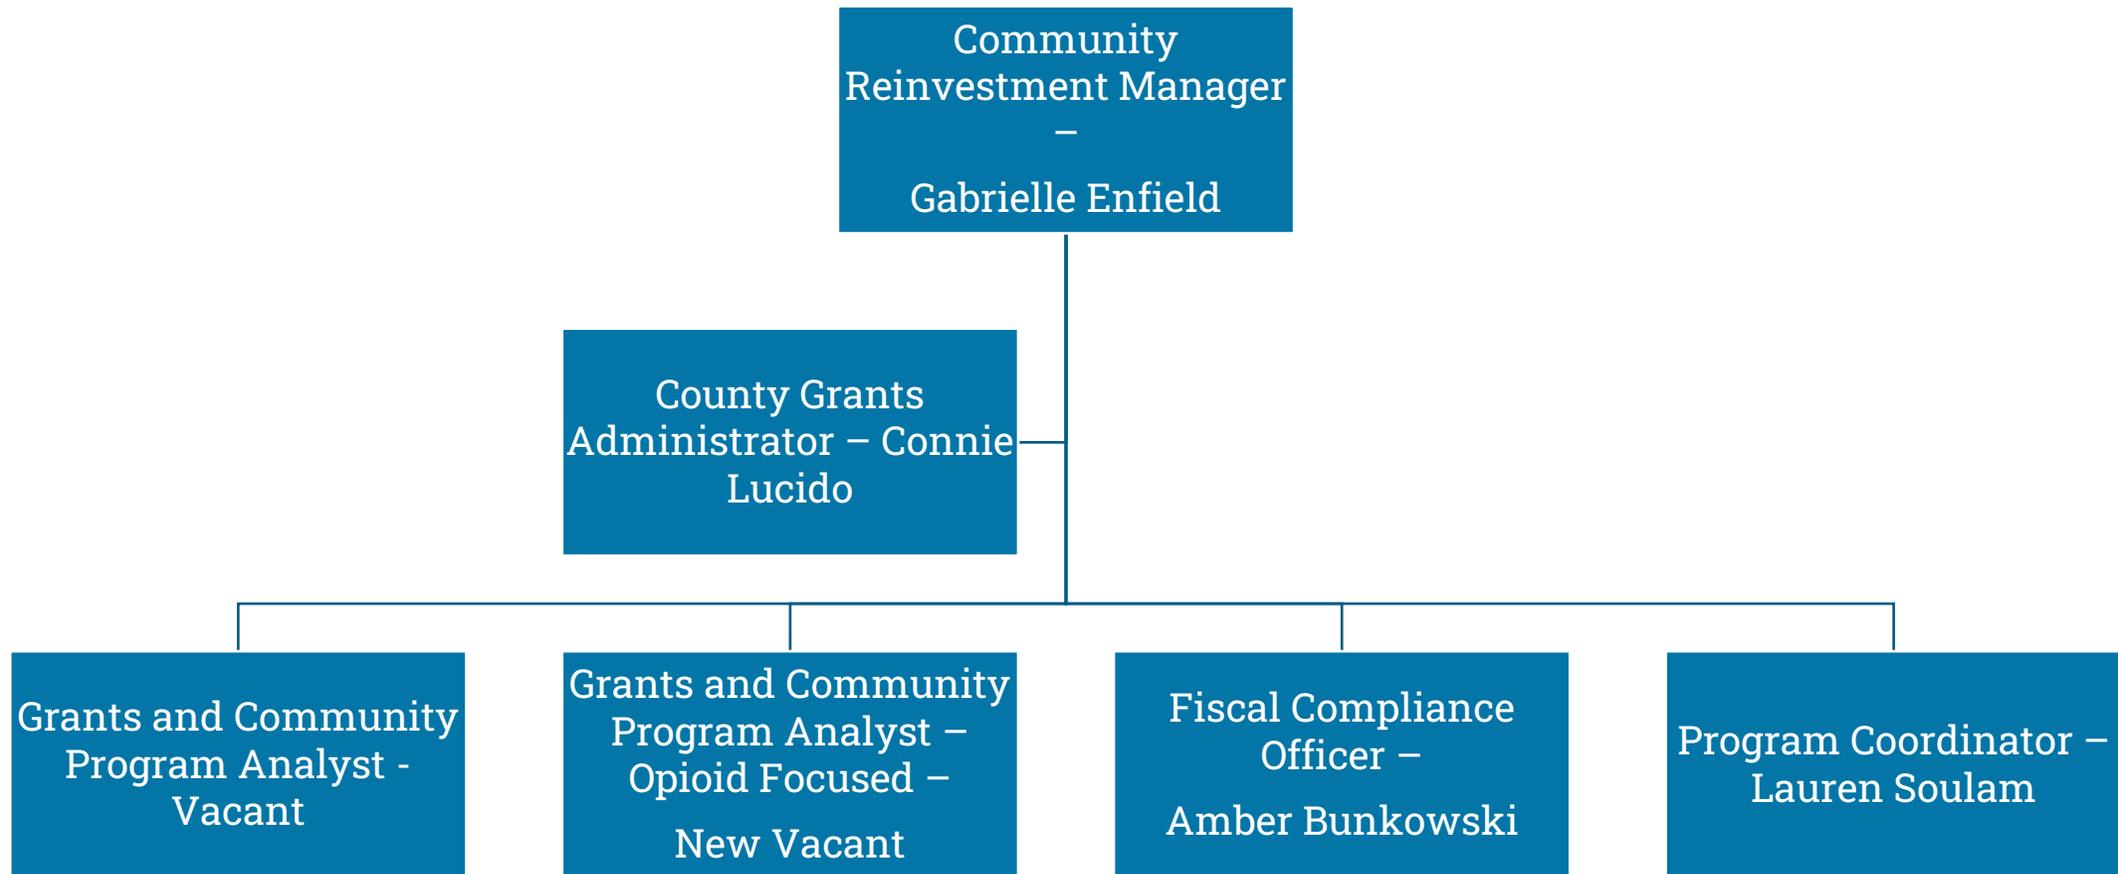

**More to come in published "Notice of Funding Opportunity"!**
