RE: List of Uncollectible Accounts for Presentation to the Board of County  
Commissioners (NRS 361.725)

Dear Trenton,

Attached please find the list of accounts that we consider uncollectible and request approval to delete from the tax rolls for the fiscal years indicated. Please note that each account has been assigned one or more criteria codes to help explain why the account is considered uncollectible. A list of the criteria codes and their specific meanings is included.

This is our write-off for September 2025 and totals \$145,700.78 from 2019 to 2023.

Once reviewed, please forward your letter of approval To Cathy Hill, Comptroller, with a copy to me as well. The Comptroller's office will draft a staff report for presentation to the BCC and I will let you know what date we set for their approval should you wish to attend.

Please contact me with any questions you may have. I'd like to get this off to the BCC as soon as possible.

Regards,
