BACKGROUND

The mission of the HIDTA program is to disrupt the market for illegal drugs in the United States by assisting federal, state, and local law enforcement entities participating in the HIDTA program in the dismantling and disruption of drug trafficking organizations. Washoe County became part of Northern Nevada HIDTA Task Force in the fall of 2006, when the Board formally approved the Washoe County Sheriff's participation by way of interlocal agreement on November 13, 2006.

Las Vegas Metro Police Department acts as the fiscal agent and administers the State of Nevada HIDTA award. This grant will fund overtime and investigative expenses incurred while conducting task force operations.

Reason for retroactive submittal: The grant funder, the Las Vegas Metro Police Department, needed time to see if they could secure additional funds to cover expenses incurred over the original budget. Item was submitted to the first available BCC meeting once documents were received and processed.
