WHEREAS, County requires certain professional services in connection with the Project, as described in Exhibit "A" Scope of Work (the "Services"); and

WHEREAS, Contractor represents that it is duly qualified, ready, willing and able to provide the Services by virtue of its education, training and experience; and

NOW, THEREFORE, in consideration of the mutual promises contained herein, the Parties agree as follows:

ARTICLE 1 - EFFECTIVE DATE

The effective date of this Agreement shall be March 1, 2022.

CONTRACTOR shall begin performance of services as provided herein upon notice to proceed and shall complete all Services identified in Exhibit A, Scope of Work in accordance with the Standard of Care as set forth in Article 5 herein no later than, unless this Agreement is terminated sooner in accordance with its terms.

ARTICLE 2 - SERVICES TO BE PERFORMED BY CONTRACTOR

Contractor agrees to perform and complete all Services identified in Exhibit A Scope of Work under this Agreement, and any amendment thereto in accordance with the Standard of Care as set forth in Article 5 herein. Contractor shall be responsible for the quality, technical accuracy, completeness and coordination of all reports, information, specifications and other items and services furnished under this Agreement and any amendments hereto. County reserves the right to inspect, comment on, and request revision of, all Services identified in Exhibit A and any amendments thereto performed by Contractor prior to acceptance, and Contractor warrants that such Services shall be fit and sufficient for the purposes expressed in, or reasonably inferred from, this Agreement and any amendments hereto.

Failure to provide major deliverables, including, but not limited to, Services identified in Exhibit A, Scope of Work, shall constitute a material breach of this Agreement, unless waived in writing by the County.

ARTICLE 3 - COMPENSATION

3.1 Compensation for Services

For Services defined in Section 1 above, Contractor's compensation shall be determined on a time and material basis, in accordance with the Fee Schedule described in Exhibit A, which is attached hereto and incorporated by reference as part of the Agreement and shall not exceed the sum of \$475,000 for the initial sixteen (16) month term with the option to renew for three (3) one-

year periods thereafter up to \$400,000 annually. Contractor shall satisfy its obligations hereunder without additional cost or expense to County during the term of this Agreement other than the heretofore stated compensation and the fee schedule described in Exhibit A. The Fee Schedule may be renegotiated at the end of one (1) year upon request by either the County or the Contractor. Renegotiated fees are subject to approval by County's Board of County Commissioners. The actual costs charged for the work by Contractor in accordance with this provision shall be full compensation to Contractor for all Services and duties required by the Scope of Work, including, but not limited to: costs of supplies, facilities and equipment; costs of labor and services of employees, contractors and sub-contractors engaged by Contractor; travel expenses, telephone charges, typing, duplicating, costs of insurance, and all items of general overhead. Contractor shall submit billings monthly within two (2) weeks of the last day of the billing period.

3.2 Compensation for Additional Services

If County requests Contractor to perform additional services, other than those required to be performed under Services identified in Exhibit A, Scope of Work, the cost of such additional services shall be determined prior to commencing additional work. All additional services and amount of payment must be authorized in writing by County prior to commencing any work for such services.

3.3 Methods and Times of Payment

Contractor shall submit to County monthly progress invoices indicating the number of hours each employee provided services and other allowed direct expenses. Payment to Contractor for work on the Project shall be made within thirty (30) days after receipt and approval of Contractor's invoice, said approval not to be unreasonably withheld. Payment by County of invoices or requests for payment shall not constitute acceptance by County of work performed on the Project by Contractor. No penalty shall be imposed upon the County for payment(s) received by Contractor after thirty days.

3.4 Dispute of Work

County shall notify Contractor in writing within thirty (30) days of receipt of the work, or portion of work, which is not approved. For work, or portions of the work, which are unapproved, the County and Contractor shall develop a mutually acceptable method to resolve the dispute within thirty (30) days of receipt by the Contractor of notice from the County. ARTICLE 4 - TIME SCHEDULE FOR COMPLETION

The services to be performed by the CONTRACTOR shall commence on March 1, 2022 through June 30th, 2023, with the option to renew for three (3), one-year periods thereafter. COUNTY and/or its authorized representative will provide an approval for the extension in writing no fewer than 30 days prior to the commencement of the contract extension.

military authority, act of public enemy, accidents, fires, explosions, or acts of God, including without limitation, earthquakes, floods, winds, or storms. In such an event the intervening cause must not be through the fault of the party asserting such an excuse, and the excused party is obligated to promptly perform in accordance with the terms of this Agreement after the intervening cause ceases.

ARTICLE 6 - OPINIONS OF COST AND SCHEDULE

Since Contractor has no control over the cost of labor, materials, equipment or services furnished by others, including over any other contractors', subcontractors', or vendors' methods of determining prices, or over competitive bidding or market conditions, Contractor's cost estimates shall be made on the basis of qualification and experience.

Since Contractor has no control over the resources provided by others to meet contract schedules, Contractor's forecast schedules for completion of Services shall be established based on generally acceptable schedules for and performance standards of similarly situated professionals qualified and experienced to perform the Services. Contractor cannot and does not guarantee that proposals, bids or actual project costs will not vary from its cost estimates or that actual schedules will not vary from its forecast schedules.

ARTICLE 7 - INDEPENDENT CONTRACTOR

Contractor is performing the services and duties required under this Agreement as an independent Contractor and not as an employee, agent, or partner of the County.

1. Contractor undertakes performance of the Services as an independent contractor and shall be wholly responsible for the methods of performance.
2. Contractor may retain employees or other personnel to perform the services required by this Agreement. Such employees or other personnel will be the obligation of the Contractor. Contractor's employees or other personnel are not County employees.
3. Unless otherwise provided in Exhibit A, Contractor is responsible for all expenses without reimbursement.
4. Neither Contractor nor any personnel are employees of County and waive any and all claims to benefits otherwise provided to employees of the County, including, but not limited to, health insurance, Nevada Public Employees Retirement System (PERS) or other retirement benefits, unemployment benefits, and liability and worker's compensation insurance.
5. Contractor represents and warrants that if Contractor, or any employee of Contractor who will be performing services under this Agreement, is a current employee of the County or was employed by the County within the preceding 24 months, Contractor has disclosed the identity of such persons, and the services that each such person will perform.
6. County and Contractor agree that this Agreement does not constitute an exclusive relationship. Nothing in this Agreement shall be construed as a limitation upon the right of the Contractor to engage in any other consulting agreement, service contract, business venture or other activity.

ARTICLE 8 - PERMITS AND LICENSES

Contractor shall maintain active and in good standing all necessary permits, certificates, and licenses necessary to allow Contractor to perform the Services. Contractor shall not be responsible for procuring permits, certificates, and licenses required for any construction unless such responsibilities are specifically assigned to Contractor in Exhibit A, Scope of Services.

ARTICLE 10 – PUBLIC RECORDS

Public Records. Pursuant to NRS 239.010, information or documents received from Contractor may be open to public inspection and copying. The County has a legal obligation to disclose such information unless a particular record is made confidential by law. Contractor may label specific parts of an individual document as “trade secret” or “confidential” in accordance with NRS, provided that Contractor thereby agrees to indemnify and defend the County for honoring such a designation. The failure to so label any document that is released by the County shall constitute a complete waiver of any and all claims for damages caused by any release of records.

ARTICLE 11 – INSPECTION AND AUDIT

11.1 Books and Records.

Contractor agrees to keep and maintain under generally accepted accounting principles (GAAP) full, true and complete records, contracts, books, and documents as are necessary to fully disclose to the County, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all state and federal regulations and statutes.

11.2 Inspection and Audit.

Contractor agrees that the relevant books, records, including, without limitation, relevant accounting procedures and practices of contractor or its subcontractors, financial statements and supporting documentation, and documentation related to the work product shall be subject, at any reasonable time, to inspection, examination, review, audit, and copying at any office or location of contractor for such records may be found with or without notice by the County or its representatives. With regard to any federal funding, any relevant federal agency or any of their authorized representatives may inspect or audit as set forth in this Agreement. All subcontracts shall reflect requirements of this section.

11.3 Period of Retention.

All books, records, reports, and statements relevant to this Agreement must be retained a minimum of 3 years, and for 5 years if any federal funds are used pursuant to this Agreement. Nevada Cares Campus Temporary Site Services Professional Services Agreement

12.1 Termination Without Cause. This Agreement may be terminated for any reason by either party by giving the other party written notice of the intent to terminate. The notice must specify the date upon which the termination will be effective, which date may not be less than 15 calendar days from the date of service of the notice. Only services satisfactorily performed up to the date of receipt of notice shall be compensated by County and such compensation shall be pursuant to the terms of this Agreement. If this agreement is unilaterally terminated by the County, Contractor shall use its best efforts to minimize the cost to the County and Contractor will not be paid for any cost that Contractor could have avoided.

12.2 Termination by Non-appropriation. The County may terminate its participation in this Agreement effective immediately by providing written notice if for any reason the County's funding source is not appropriated or is withdrawn, limited, or impaired. The County will make reasonable efforts to ensure payment for services rendered by the Contractor. The Contractor shall agree to hold the County free from any charges or penalties except for those already incurred through the date of notice of cancellation.

12.3 Termination with Cause for Breach. A breach may be declared with or without termination. A notice of breach and terminations shall specify the date of termination of the Agreement, which shall not be sooner than the expiration of the Time to Correct, if applicable, allowed under the Agreement. This Agreement may be terminated by either party upon written notice of breach to the other party on the following grounds:

a. If Contractor fails to provide or satisfactorily perform any of the conditions, work, deliverables, goods, or services called for by this Agreement within the time requirements specified in this Agreement or within any granted extension of those time requirements; or

b. If any state, county, city, or federal license, authorization, waiver, permit, qualification or certification required by statute, ordinance, law, or regulation to be held by Contractor to provide the goods or services required by this Agreement is for any reason denied, revoked, debarred, excluded, terminated, suspended, lapsed, or not renewed; or

c. If Contractor becomes insolvent, subject to receivership, or becomes in voluntarily or involuntarily subject to the jurisdiction of the Bankruptcy Court; or

d. If the County materially breaches any material duty under this Agreement and any such breach impairs the Contractor's ability to perform; or

e. It is found by the County that any quid pro quo or gratuities in the form of money, services, entertainment, gifts, or otherwise were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the County with a view toward securing a contract or securing favorable treatment with respect to awarding, extending, amending, or making any determination with respect to the performing of such Agreement; or

f. If it is found by the County that Contractor has failed to disclose any material conflict of interest relative to the performance of this Agreement.

Nevada Cares Campus Temporary Site Services Professional Services Agreement

12.4 Time to Correct. Unless the breach is not curable, or unless circumstances do not permit an opportunity to cure, termination upon declared breach may be exercised only after service of formal written notice as specified in the notice section of this Agreement, and the subsequent failure of the breaching party within 15 calendar days of service of that notice to provide evidence, satisfactory to the aggrieved party, showing that the declared breach has been corrected. Upon a notice of breach, the time to correct and the time for termination of the contract upon breach shall run concurrently, unless the notice expressly states otherwise.

12.5 Winding Up Affairs Upon Termination. In the event of termination of this Agreement for any reason, the parties agree that the provisions of this section survive termination:

a. The parties shall account for and properly present to each other all claims for fees and expenses and pay those which are undisputed and otherwise not subject to set off under this Agreement. Neither party may withhold performance of winding up provisions solely based on nonpayment of fees or expenses accrued up to the time of termination;

b. Contractor shall satisfactorily complete work in progress at the agreed rate, or a pro rata basis if necessary, if so requested by County;

c. Contractor shall execute any documents and take any actions necessary to effectuate an assignment of this contract if so requested by the County;

d. Contractor shall preserve, protect and promptly deliver into County possession all proprietary information

e. Notwithstanding the above, Contractor shall not be relieved of any liability to the County for damages sustained by the County by virtue of any breach of this Agreement by the Contractor, and the County may withhold any payments to the Contractor for the purposes of set-off until such time as the exact amount of damages due the County from the Contractor may be determined.

ARTICLE 13 - NONDISCLOSURE OF PROPRIETARY INFORMATION

Contractor shall consider all information provided by County to be proprietary unless such information is available from public sources, was known to Contractor prior to the execution of this Agreement, was received by Contractor from a third-party source not under any obligation of confidentiality to the County or is required by law or ordered to be disclosed in a regulatory or judicial proceeding. Contractor shall not publish or disclose proprietary information for any purpose other than the performance of the Services without the prior written authorization of County or in response to legal process or as required by the regulations of public entities.

The term "uncontrollable forces" shall mean any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the control of the non-performing party. It includes, but is not limited to, fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, inability to procure permits, licenses, or authorizations from any state, local, or federal agency or person for any of the supplies, materials, accesses, or services required to be provided by either County or Contractor under this Agreement, strikes, work slowdowns or other labor disturbances, and judicial restraint. Indemnification and hold harmless clauses are intended to assure that CONTRACTOR accepts and is able to pay for the loss or liability related to its activities.

BIDDERS' ATTENTION IS DIRECTED TO THE INSURANCE REQUIREMENTS BELOW. IT IS HIGHLY RECOMMENDED THAT BIDDERS CONFER WITH THEIR RESPECTIVE INSURANCE CARRIERS OR BROKERS TO DETERMINE IN ADVANCE OF BID SUBMISSION THE AVAILABILITY OF INSURANCE CERTIFICATES AND ENDORSEMENTS AS PRESCRIBED AND PROVIDED HEREIN. IF THERE ARE ANY QUESTIONS REGARDING THESE INSURANCE REQUIREMENTS, IT IS RECOMMENDED THAT THE AGENT/BROKER CONTACT THE COUNTY'S RISK MANAGEMENT DEPARTMENT AT (775) 328-2665. IF ANY APPARENT LOW BIDDER FAILS TO COMPLY STRICTLY WITH THE INSURANCE REQUIREMENTS, THAT BIDDER MAY BE DISQUALIFIED FROM AWARD OF THE CONTRACT.
