BACKGROUND

The Washoe County Sheriff’s Office provides forensic services to Federal, State, and Local agencies throughout northern Nevada via a service contract. Services covered include all in-house laboratory analysis as outlined in Option A including field investigation or Option B excluding field investigation. Fees are based upon the type of contract selected by the agencies and cover the cost of services.

Agencies not wishing to contract with the Washoe County Sheriff’s Office for forensic services with either Option A or Option B will not be able to use Forensic Services. Toxicology services are not a part of the standard contracts and agencies are billed separately for toxicology analysis.

Reason for Retroactive Submittal: Items were submitted to the first available BCC Meeting once contracts were received from Agencies.

The attached contracts cover the following agencies for the Fiscal Year 2025-2026:
