To Whom It May Concern:

I have known Jim McNamara for more than five years. He is a passionate member of the Reno community and is strongly committed to making Reno a better place. I have witnessed his dedication to our Veterans as he seeks shelter solutions for those most in need who have given this country so much. Observing his recent retirement I have been impressed by the energy he devotes to the Veteran community by directly serving Veterans in a one on one capacity with many of their needs.

Jim is a man of outstanding character who has successfully devoted years of energy and commitment to his former employer, to his passengers whom he safely delivered to their destinations, and most impressively to his wife and children who are better people as a result of having Jim in their lives.

This is not a man who sits on his back porch in retirement and watches the grass grow. Jim has enthusiasm and energy to spare as he volunteers to perform trail habitat, hike the sierras, and assist the Veteran community. Any community organization would be very lucky to have Jim's expertise, energy, and time.

Best regards,

David J Miller
