Why are you interested in being part of this board, commission, or academy?

A member of my immediate family is on lifetime parole for a conviction from 18 years ago. The crime for which he was convicted now carries a sentence of 1-5 years, with probation in lieu of a prison term. He served 10 years in prison for that conviction and 8 years on parole. While living in California, the California department of parole twice recommended that he be released from supervision by Nevada. His sentence was a "minimum mandatory" sentence and Nevada is now in the process of implementing second chance sentencing, but those efforts are still in their infancy. I believe, as an individual whose life and family has been significantly impacted by the Nevada Criminal Justice System, Nevada laws and sentences and the Nevada parole system, I have a vested interest in topics relevant to criminal justice, recidivism and sentencing. Because my family has been personally impacted by these issues, I am very well informed about current statutes, initiative, bills that have passed or are in the process of being passed by the Nevada Legislature, the operating directives of different departments involved with sentencing, parole and criminal justice, many current studies about the Nevada parole system, it's failures and successes and many reformative actions. The fact that most of the Nevada boards involved with these important issues, that personally affect the lives of nearly all Nevada citizens, rarely include individuals that are not politically affiliated, or professionally involved in the justice system, is adverse to the principle of democracy and equality. It appears that these boards do not represent the constituents of the State of Nevada, but rather the government bodies that are in need of reform. How can any system reform to better serve the individuals subject to the laws and processes that make up the system, if the boards guiding the reformation efforts do not include any of those individuals?

How do you feel you are qualified to serve on this board? Include any past experience, as well as serving on other board/commissions.

I am qualified because I am a native Nevadan and lifelong resident of this state. I read and write English, am educated by schools and colleges within this state (as well as others), have worked in this state for 40 years, have been a registered voter in this state, have been involved with the justice system, and a member of my family has been sentenced to lifetime parole by this state. I am very well versed in regards to the Justice system, the laws that govern this state, the State Constitution and the court procedures in this state, as well as the operating directive of various law enforcement agencies, the Department of Public Safety, the Parole Board and the Nevada Department of Corrections. I do not believe, if these boards are formed to represent the interests of the citizens of Nevada, any other qualifications are relevant.

After a 24-year career in public service, I still have a desire to serve. I am a multifaceted individual with an advanced degree and a certified fraud examiner and a licensed private investigator (PILB 4253). Re: Letter of Reference for Brian Erbis - Washoe Leadership Academy

To Whom It May Concern:

I am writing to recommend Brian Erbis for a placement in the Washoe Leadership Academy. I have known Brian for four years in a person capacity as his wife is a co-worker of mine at the U.S. Attorney's Office in Reno. Since retiring from his law enforcement position and moving to Reno, Brian has wanted to return to a career to public service and has gone back to school to achieve those goals. He is dedicated to making this area a better and even more enjoyable place to live. I highly recommend his admission to the program.

Sincerely,

Please tell us about yourself

Why are you interested in being part of this board, commission, or academy?

As a representative of the Washoe County Sheriff's Office, I am seeking to serve on the Nevada Local Justice Reinvestment Coordinating Council to contribute a local law enforcement perspective to the development of informed, effective, and equitable criminal justice policy. I believe that meaningful reform begins with collaboration and transparency, and I am committed to advancing data-driven strategies that improve public safety, reduce recidivism, and ensure responsible use of resources. My experience within Washoe County gives me direct insight into the challenges and opportunities we face at the local level, and I am eager to help shape policies that reflect the realities of our communities while supporting the broader goals of justice and rehabilitation throughout Nevada.

How do you feel you are qualified to serve on this board? Include any past experience, as well as serving on other board/commissions.

To Whom It May Concern:

My name is Ben Trotter and I am currently serving as elected Sheriff at the Churchill County Sheriff's Office in Fallon, Nevada. I have been in law enforcement in Fallon for nearly twenty years.

The purpose of this letter is to recommend highly Andrea Schumann for the position for which she has applied. I have worked with in her current capacity as Juvenile Probation Office for the past eight years in our community. She has always proven extremely competent in her duties; however, I believe Andrea's strength is her compassion and patience with the juveniles she deals with. Most of these youth are a product of their own home environment, be it abuse and neglect, drugs or simple lack of supervision. For eight years, I have seen Andrea handle cases involving these juveniles in a caring manner and in a way that attempts to put the best interests of the youth as priority. This said, when a juvenile fails to take advantage of the opportunity he or she has been given to change, Andrea takes the actions necessary to make sure the juvenile does not jeopardize the tranquility of our community.

Andrea is also an excellent collaborator with all the local agencies and is well-liked in the law enforcement community in Churchill County and Fallon. She has participated in many programs and collaborative groups engaged in helping our local youth including our Gang Task Force and others.

Andrea will be an asset to whatever agency she works with and I highly recommend her.

If I can be of further assistance, do not hesitate to contact me.

Sincerely,

To Whom It May Concern

My name is De Vere Karlson, and I am the former Chief of the Churchill County Juvenile Probation Department. I am writing a letter of reference for Ms. Andrea Schumann to include in her application to Washoe County Juvenile Probation Department.

I have had the privilege of knowing Ms. Schumann for the past seven and a half years in both a professional and personal capacity. I had the privilege of hiring Ms. Schumann as a Deputy Juvenile Probation Officer in July of 2007 and worked with her until my retirement in October of 2014. Since then, I consider her to be a good friend.

There are four adjectives that come to mind to best describe Ms. Schumann: caring, trustworthily, diligent, and committed. These attributes, in my opinion, are the perfect recipe for an outstanding juvenile probation officer and employee.

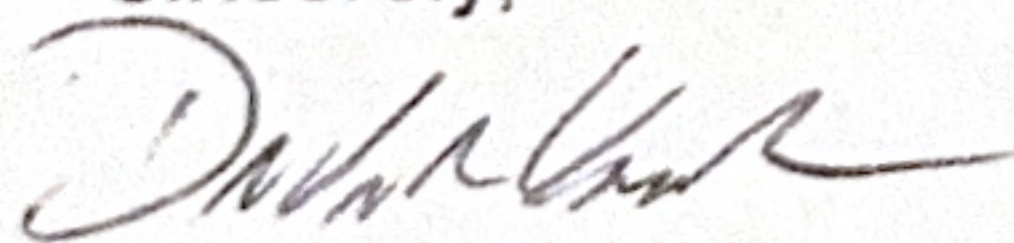

Ms. Schumann cares about her clients. She cares about their future. That means she is fair and consistent in her approach, she is open to the opinions of others but will advocate strongly for what she feels is in the youth's best interest.

Trustworthiness equates to being honest, dependable and reliable. She is all these things and more. She has always been conscientiousness of her duties. Not only were tasks completed on time, but were completed at the highest standard. She is an excellent writer, rarely were her court reports edited and her case notes are a shining example of how they everyone should write them. She is an officer who readily earns the trust and admiration of all who she works with and for, to include the youth and families to whom she is assigned. She communicates very effectively and does not mince words, and most importantly she listens.

She has always been committed to the youth she works with and doing the best she can for them. Her sense of duty and responsibility are at the highest level. She takes her responsibilities very seriously. Probation work has never been just a job for Ms. Schumann, it has been a career that she worked hard to enter and it is a career for which she is extremely well suited.

I would be very happy to provide any other information regarding Ms. Schumann's qualifications. I can be reached at (775) 217-6004.

Sincerely,

De Vere R. Karlson

Why are you interested in being part of this board, commission, or academy?

I have personal experience with the legal system and have personally witnessed misconduct resulting in injustices against our citizens locally. I'm very motivated to work towards legislative changes to hold offenders accountable for ethical and legal violations resulting from a refusal to acknowledge and uphold individuals' constitutional rights. Justice and fairness are extremely important to me.

How do you feel you are qualified to serve on this board? Include any past experience, as well as serving on other board/commissions.

I have personal experience with the criminal justice system and have been the victim of misconduct resulting in violations of my constitutional rights. I'm actively seeking opportunities to work towards legislative changes due to my experience. My career is also in the legal field - I work in ediscovery, a type of electronic forensics work and have over a decade of experience handling, preserving, and understanding all processes involving electronic evidence which is increasingly important in criminal and civil cases.
