Hi Ida,

Apologies for the confusion.

The 2023 CW Collaboration Agreement allowed for annual amendments to add each subsequent year's strategy plan under it through 2025.

This year's agreement both adds the 2025 strategy plan and extends the 2023 Agreement terms through 2026, so we will be able to add the 2026 strategy plan as an amendment as well, rather than a full new CW Collaboration Agreement next year. I hope that explanation helps clears things up with the Board!

I've copied Jazmin, our new Project Manager supporting Washoe County. Please let us know if you have any additional questions!

Thank you,
Annalise
