The FY26 budget currently has \$26,060.77 in STD Core Grant (12646), therefore, to bring the budget into alignment with the grant a budget amendment for \$137,124.23 in both revenue and expenditures is needed in the following accounts:

<u>Account Number</u>	<u>Description</u>	<u>Amount of Increase/(Decrease)</u>
IO 12646 -431100	Federal Grants	\$ 137,124.23
	<b>Total Revenue</b>	<b>\$ 137,124.23</b>
IO 12646 -701412	Salary Adjustment	\$ 87,210.46
IO 12646 -705360	Benefit Adjustment	\$ 49,913.77
	<b>Total Expenditures</b>	<b>\$ 137,124.23</b>

No budget amendment is necessary for the indirect revenue.

As this award funds personnel, if the funding is reduced or eliminated, the position hours will be reduced and/or the positions abolished accordingly, unless additional funding is secured.

These funds will support existing positions funded by other non-federal sources. Northern Nevada Public Health will ensure this is not considered supplanting for this award.

It is recommended that the Board of County Commissioners approve budget amendments totaling an increase of [\$137,124.23.00; no county match] in both revenue and expenditures to the FY26 STD Prevention and Control Subaward retroactive to March 1, 2026 through February 28, 2027, for the Population Health Division (PHD) to support Sexual Transmitted Disease (STD) Program agreement, and direct Finance to make the appropriate budget amendments.
